Deans' messages...

Dr. K R Satyanarayana,
Dean T&P

"Success is where preparation and opportunity meet."

- Bobby Unser

As you continue your journey at SRKR Engineering College, I encourage each one of you to take full advantage of the extensive training and placement opportunities available to you. The world outside is evolving at an unprecedented pace, and employers are looking for individuals with not just technical expertise but also strong communication, leadership, and problem-solving skills. Our Training and Placement Cell is dedicated to helping you bridge this gap by organizing various workshops, internships, and skill development programs designed to enhance your employability and prepare you for a successful professional career.

I urge you to actively participate in these programs, refine your strengths, and work on your areas of improvement. Remember, the efforts you put in now will lay the foundation for your future success. Stay committed, be curious, and seize every opportunity that comes your way. The college is here to support you, and I have no doubt that with the right mindset, each one of you has the potential to achieve great heights.

Best of luck !

-Dr. K R Satyanarayana

Dr. S Rajesh,
Dean IQAC

"Quality is not an act, it is a habit."

- Aristotle

At SRKR Engineering College, our commitment to excellence goes beyond academics. The Internal Quality Assessment Cell (IQAC) plays a pivotal role in ensuring that the education you receive is of the highest standard, continuously evolving to meet the demands of the global industry. We strive to create an environment that fosters innovation, critical thinking, and holistic development, all while maintaining the integrity and quality of our programs. Your active engagement in this process is vital, as it not only enhances your learning experience but also contributes to the growth of the institution.

I encourage you to approach your studies with dedication and a passion for lifelong learning. The IQAC is here to ensure that every initiative taken, from curriculum updates to extracurricular activities, helps you become more competent and industry-ready. Together, we can elevate the standards of education and achieve remarkable milestones. Let's aim for excellence in everything we do.

Best wishes for your future endeavors !

-Dr. S Rajesh

Meritorious moments

Times Business Awards

It is indeed a proud moment for SRKR Engineering College as Sri SRK Nishant Varma, the Secretary cum Correspondent, has been recognized with the 'Young Visionary Leadership in Engineering Education' award by the Times Business Awards 2024, Andhra Pradesh. This prestigious accolade is a testament to his forward-thinking approach and dedication to elevating the standards of engineering education. Dr. K V Murali Krishnam Raju accepted the award on behalf of Sri SRK Nishant Varma, marking a significant achievement for the institution.

Best Performance Award

SRKR Engineering College was honored with the Best Performance Award during the 16th Anniversary celebrations of Jawaharlal Nehru Technological University Kakinada (JNTUK) on August 20, 2024, in Kakinada. The award was presented by Dr. K Mohan Rao, the Chairman, Higher Education Council, and Dr. KVSG Murali Krishna, In-charge Vice Chancellor, JNTUK, Kakinada. Dr. KV Murali Krishnam Raju, the Principal, and Dr. M Jagapathi Raju, the Director, SRKREC, expressed their gratitude at a celebratory program held at the college on August 23. This recognition places SRKREC among the top ten institutions out of 162 under JNTUK's jurisdiction. Sri Sagi Prasad Raju, the President, and Sri SRK Nishant Varma, the Secretary cum Correspondent, SRKREC, acknowledged that this achievement reflects the collective efforts of the college's staff and leadership. They encouraged continued dedication to the institution's development and excellence.

NPTEL "A" GRADE

On August 10, SRKREC received an "A" grade for its performance in National Program on Technology Enhanced Learning (NPTEL) courses. The announcement was made by Dr. KV Murali Krishnam Raju, Principal, and Dr. M Jagapathi Raju, Director. This recognition highlights the college's excellence in NPTEL courses conducted through its Technology Centre, operational since 2017. Sri S R K Nishant Varma, Secretary cum Correspondent, Dr. KV Murali Krishnam Raju, Principal, and Dr. N Gopal Krishnamurthy, Head of the Technology Centre, SRKREC, were acknowledged for their contributions. Dr. Gopal Krishnamurthy, Coordinator of SRKR NPTEL Courses, noted the success of 454 participants, including students and faculty, from the January to April session, who earned two gold medals, 77 silver medals, and 218 elite awards. Since its inception, the Technology Centre has engaged over 24,000 participants in online courses, further solidifying SRKREC's commitment to technology-enhanced learning and academic excellence.

Meritorious Moments

Alluri Sitarama Raju Excellence Award

On July 4, the Alluri Sitarama Raju Excellence Award was presented to Sri S R K Nishant Varma, Secretary cum Correspondent of SRKREC, in recognition of his efforts in establishing a greenhouse at the Alluri Sitarama Raju memorial site in Mughalu. The award ceremony, held in celebration of the 127th birth anniversary of Alluri Sitarama Raju, was graced by the presence of MLA Sri Kanumuru Raghurama Krishnam Raju and former MLA Sri Manthena Rama Raju. The event featured floral tributes to the statue of Alluri Sitarama Raju, with remarks from the MLA emphasizing the growing support for regional development projects. Sri Nishant Varma expressed his commitment to furthering development initiatives at Mughalu Zilla Parishad High School and in the surrounding areas. Dr. M Jagapathi Raju, the Director, and Dr. KV Murali Krishnam Raju, the Principal, SRKREC, also addressed the gathering, sharing their pride in honoring the legacy of Alluri Sitarama Raju. The event reflected the college's dedication to preserving historical heritage while contributing to community development.

Appreciation from ETS India

On August 2, 2024, ETS India presented an appreciation memento to SRKREC for its significant contributions to higher education opportunities abroad. Mr. Vamsi Krishna from ETS India handed over the memento to Sri S R K Nishant Varma, Secretary cum Correspondent, and Prof. Bh V N Lakshmi, Head of the Department of English and Foreign Languages, in the presence of Dr. K V Muralikrishnam Raju, Principal, and Dr. M Jagapathi Raju, Director. Speaking on the occasion, the Principal expressed deep gratitude to the Management for supporting the GRE and TOEFL Test Center on the campus and encouraged students from across the state to make full use of these facilities. Students from IITs, NITs and other institutions are taking GRE/TOEFL tests in SRKREC. Sri S R K Nishant Varma commended the Dept. of English and Foreign Languages for training students in various competitive exams and helping them achieve their aspirations for higher education and campus placements. Prof. Lakshmi thanked the Management and academic leadership for their unwavering support, without which the establishment of both the GRE TOEFL Test Center and the IELTS Test Center on campus would not have been possible. She emphasized that these developments highlight the commitment of the institution's visionary leaders.

2024 Asia Conference

Mr. Sridhara Syam Chandrabhotla, 3rd year AIDS student received widespread applause across the campus for being selected to participate in the 2024 HPAIR (Harvard College Project for Asian and International Relations) Virtual Summit, held from August 21-25, 2024. The summit, organized by Harvard University, focused on the theme Reimagining Connectivity: Building Bridges in a Globalized Society. This year's event encouraged participants to explore innovative approaches to fostering cross-cultural understanding and addressing global challenges. Mr. Sridhara actively participated in the summit and gained valuable insights. He is now poised to apply the knowledge and connections he gained to further his progress in these areas.

Training & Placement

MOU

SRKREC has signed an MoU with IDS (Information and Data-Systems), a leading multinational company, to enhance its technological offerings. The MoU, announced on 15th Aug. 2024, aims to introduce cutting-edge technologies such as blockchain and the Internet of Things (IoT) to students. Dr. M Jagapathi Raju, the Director, emphasized that this collaboration will align the college's curriculum with emerging technological trends, preparing students for future challenges. The signing ceremony, coordinated by Dr. K R Satyanarayana, Dean of Training and Placement Cell, was attended by key figures including Dr. BHVS Ramakrishnamaraju, Dr. G Mahesh, Dr. Krishnam Raju, Dr. N Gopalakrishna Murthy, and Dr. M Suresh Babu. The MoU is expected to provide students with valuable exposure to new technologies, enhancing their career prospects and readiness for the evolving tech landscape.

TCS Pre-Placement Talk

Campus placements serve as a vital bridge between academic life and professional careers for students, and in 2024, this transition remains a key milestone for those eager to launch their careers. Campus recruitment provides companies with direct access to a pool of talented young graduates, enabling early talent acquisition from educational institutions. Recognizing the importance of this process, SRKR Training and Placement (T&P) Cell has intensified its efforts to ensure that students are fully prepared for these opportunities. From organizing specialized training sessions and internships to conducting workshops on resume building and interview preparation, the T&P Cell is dedicated to equipping students with the skills needed to succeed. In August 2024, Tata Consultancy Services (TCS) held a pre-placement talk on the SRKREC campus. As a leading global IT services and consulting firm, TCS is renowned for offering outstanding career prospects for young graduates. During the session, SRKREC students gained valuable insights into TCS's organizational values, work culture, and the diverse opportunities available within the company. Armed with this knowledge and driven by determination, the students are preparing diligently for the recruitment process, with a strong focus on securing positions at TCS and embarking on successful careers.

Academic Milestones

Dept. of English. & FL

On August 3, Dr. Riyaz Mohammed, Asst. Professor in the Dept. of English and Foreign Languages, was honored for earning his doctoral degree in English Literature from KLU Deemed to be University, Vijayawada. His thesis, titled "Critical Perspectives in the Select Plays of Mahesh Dattani," examined Dattani's plays and their impact on societal issues and the middle-class experience. Dr. KV Muralikrishnam Raju, Principal, praised Dr. Riyaz for his significant contributions to understanding social consciousness through literature. Sri S R K Nishant Varma, Secretary and Correspondent, congratulated and felicitated Dr. Riyaz in the presence of Dr. M Jagapathi Raju, Director, and Prof. Bh V N Lakshmi, Head, Dept. of English and Foreign Languages. Speaking on this occasion, Dr. Riyaz expressed gratitude to the Management for their unwavering support of faculty research endeavors and pledged his continued commitment to contributing to research as much as possible.

Dept. of CSE

Smt. L. Divya, Asst. Professor from the Dept. of CSE, was awarded a Ph.D. by Pondicherry University. Her research focused on "An Integrated Prem Work for SDN Control Modeling for the Internet of Vehicles," conducted under the supervision of Professor Dr. Selvaraj Kandaswamy. Commending her achievement, Sri S R K Nishant Varma, Secretary cum Correspondent of SRKREC, felicitated her on August 4, 2024, in the presence of Dr. K V Murali Krishnam Raju, Principal, Dr. M Jagapathi Raju, Director, and Dr. V Chandrasekhar, Head of the Dept. of CSE. The Management recognized her dedication to advanced research, encouraging other faculty members to continue pursuing academic excellence. Dr. Divya expressed her gratitude and commitment to further contribute to the institution's research and academic endeavors.

Dept. of Mechanical Engg.

On August 5, Dr. I. Pawan Kumar Varma, Asst. Professor, was honoured for earning his Ph.D. in Mechanical Engineering from Andhra University. Dr. Varma's research, titled "Experimental and Numerical Investigation of Laser Beam Welding of Margin Steel 250 Grade," was conducted under the guidance of Dr. P Rammurthy Raju and Prof. CH Srinivasa Rao. Dr. KV Murali Krishnam Raju, Principal, congratulated Dr. Varma on his significant contributions to advancing welding technology and highlighted the importance of his work and its potential impact on the field. Sri SRK Nishant Varma, the Secretary cum Correspondent, felicitated Dr. Varma in the presence of Dr. M Jagapathi Raju, Director, and Prof. P Rammurthy Raju, Head, Dept. of Mechanical Engineering, SRKREC. The occasion reaffirmed the college's commitment to fostering and celebrating academic and research achievements among its faculty.

Dept. of Civil Engg.

On August 7, 2024, the Dept. of Civil Engineering congratulated Dr. A Ramanjaneya Raju, Asst. Professor, for earning his doctoral degree from NIT Warangal. His research focused on utilizing low-capacity soils in the construction sector. Sri S R K Nishant Varma, Secretary cum Correspondent, felicitated Dr. Ramanjaneya Raju in the presence of Dr. K V Murali Krishnam Raju, Principal, Dr. M Jagapathi Raju, Director, and Dr. ACSV Prasad, Head, Dept. of Civil Engineering. The program highlighted the importance of innovative research in advancing construction practices and recognized Dr. Raju's efforts to enhance the sustainable use of natural resources. Dr. Raju expressed his gratitude to the Management for their support and encouragement throughout his research journey and assured his continued contributions to the field.

SRKREC Special Days

Founder's Jayanthi Celebrations

As part of the 91st birth anniversary celebrations of Sri Sagi Rama krishnam Raju, the founder, SRKR NSS Unit organized a blood donation camp in collaboration with Ashram Medical College, Eluru, and Ananda Blood Bank, Bhimavaram. The camp successfully collected approximately 100 units of blood from students. Sri Sagi Prasad Raju, the President, SRKREC, inaugurated the event and emphasized the importance of blood donation as a crucial societal contribution. Dr. R Krishna Chaitanya, NSS Coordinator, commended the students for their participation. The event was attended by several dignitaries, including Sri P Krishnam Raju, Honorary Chairman; Sri G Rama Raju, Vice President; Sri S V Ranga Raju, Vice President; Sri SRK Nishant Varma, Secretary cum Correspondent; Dr. M Jagapathi Raju, Director; and Dr. KV Murali Krishnam Raju, Principal, among others. The camp highlighted the college's dedication to community service and its focus on encouraging students to participate in humanitarian efforts.

Graduation Day

The Graduation Day celebrations for the 2024 graduating class were held on a grand scale. The event commenced with floral tributes to the statue of Sagi Ramakrishna Raju, honoring the institution's legacy and achievements. Sri CV Praveen Aditya, Joint Collector of West Godavari District and an SRKREC alumnus, served as the chief guest. He addressed the graduates, offering guidance on planning their future, and reminisced about his time at SRKREC, praising the faculty's dedication and the management's generosity. He also highlighted the achievements and contributions of the college's alumni both nationally and internationally. The event was presided over by Sri Sagi Prasad Raju, President. During the ceremony, the chief guest distributed certificates to the graduating students. Sri SRK Nishant Varma, the Secretary cum Correspondent, discussed ongoing efforts to enhance educational standards, including teacher training programs to integrate new technologies. Sri P. Krishnam Raju, Honorary Vice President, Sri S.V. Ranga Raju, Vice President, along with Dr. M Jagapathi Raju, the Director, and Dr. KV Murali Krishnam Raju, the Principal, SRKREC, also participated in the event.

SRKREC Special Days

Alluri Sitarama Raju's centenary Celebrations

SRKREC is always at the forefront of commemorating and honoring the sacrifices of freedom fighters, aligning with the initiatives of our Hon'ble Prime Minister, Sri Narendra Modi. On the occasion of Alluri Sitarama Raju's centenary, the college paid tribute by garlanding his statue in his native village, Mogallu, in the West Godavari district. Dr. Jagapathi Raju emphasized the significance of Alluri's legacy, noting that last year, on the 125th birth anniversary of the "ManyamVeerudu," the college established a green space around the Sitarama Raju statue on campus. He urged the youth to follow Alluri's example by engaging in meaningful activities such as serving the nation and contributing to society. Dr. Jagapathi Raju also praised Alluri Sitarama Raju's selfless dedication to the country, particularly his ability to inspire patriotism among the tribals in remote villages with minimal resources. The college expresses its deep appreciation to all the organizers and participants who contributed to this significant event, ensuring that Alluri Sitarama Raju's legacy continues to inspire future generations.

International YOGA Day

International Yoga Day was celebrated at the college on June 21, with students actively participating in various yogasanas. The event highlighted the importance of yoga in promoting both physical and mental well-being among students. Dr. M Jagapathi Raju, the Director, and Dr. K V Murali Krishnam Raju, the Principal, addressed the gathering, emphasizing yoga's significant role in enhancing students' overall development. They noted that students who incorporate yoga into their daily routines consistently achieve outstanding results by their final year. During the event, the college acknowledged Mr. P Ramesh Raju, the Yoga Trainer, for his dedicated services in the presence of Dr. P Bhavani, Head of Engineering Chemistry, Dr. Vinod Kumar, Mr. Bapiraju, Yoga Trainer, Dr. R Krishna Chaitanya, NSS Coordinator, and Mr. Ch Hari Mohan, Asst. Physical Director. The event concluded with an encouragement for students to embrace yoga as a regular part of their lives.

SRKREC Special Days

International Youth Day

The Department of IT and the CSI Student Chapter of SRKREC celebrated International Youth Day by organizing a panel discussion on "Independent India: Past, Present, Future" at Zilla Praja Parishat High School, Chinamiram, where appreciation certificates were awarded to schoolchildren for their participation. Additionally, a flash mob was held at the Multiplex in Bhimavaram on August 12, 2024, to raise awareness about avoiding bad habits and substance abuse. Drawing public attention, students delivered an outstanding performance that highlighted the negative impacts of addiction on youth and their future prospects. Sri Pulaparthi Ramanjaneyulu (Anjibabu), the MLA, was the chief guest. In his address, he commended the students' efforts and stressed the harmful effects of intoxicants on health, violence, and psychological well-being. Program Convenor Dr. BHVS Ramakrishnan Raju, Head. Dept. of IT, along with Dr. I Hemalatha, Dr. K Kishore Raju, and Dr. P Shyamala Rao, the Program Coordinators, also participated in the event. The flash mob, designed to captivate and engage, successfully conveyed its message to the audience, making it a noteworthy initiative in promoting a healthy and positive lifestyle among students.

NATIONAL SPORTS DAY

On August 29th, SRKREC celebrated National Sports Day, commemorating the birth anniversary of Major Dhyan Chand, India's legendary hockey player. The Department of Physical Education organized a vibrant rally as part of the celebrations. SRKR students, proudly carrying the national flag, rallied across the campus, chanting slogans in honor of Dhyan Chand and the spirit of sportsmanship. Sri S V Ranga Raju, Vice President, Dr. KV Murali Krishnam Raju, Principal, Dr. P Satyanarayana, Physical Director, along with the faculty of the Department of Physical Education, paid tribute to Dhyan Chand in the presence of enthusiastic students and faculty members. The rally continued with students expressing their love for sports, games, and India, creating an atmosphere of pride and joy throughout the campus. The event not only celebrated the legacy of Dhyan Chand but also ignited a passion for sports among the students, making it a memorable day at SRKREC.

SRKREC Special Days

Independence Day

SRKR Engineering College celebrated the 78th Independence Day on August 15th with great patriotic fervor. In recognition of academic excellence, various scholarships, such as the Oruganti Sundari and Gita scholarships constituted by the alumni, were awarded to students. The celebration featured patriotic songs sung by students in honor of the freedom fighters. Following this, a large-scale rally was organized by the SRKR NSS Unit within the college premises, where students proudly waved flags. Dr. KV Murali Krishnam Raju, the Principal, emphasized the sacrifices made for India's independence and the nation's subsequent technological advancements. He highlighted the Har Ghar Tiranga rally as a symbol of progress, honoring past sacrifices while inspiring future patriotism. Sri S.V. Ranga Raju, Vice President, encouraged students to cultivate patriotism and contribute to national service. The rally was led by NSS Coordinator Dr. R Krishna Chaitanya, with participation from Dr. BHVS Ramakrishnan Raju, Head, Dept. of IT, Dr. P Satyanarayana Raju, Physical Director, and other faculty members, along with a large number of students. The event successfully instilled a sense of national pride and unity among all participants.

Stimulations

Celebrating Launch of Pushpak

On 24th June, SRKREC celebrated the successful launch of the Pushpak Reusable Launch Vehicle, a pioneering achievement by ISRO scientists. Jointly organized by Janavigyan Vedika and SRKR NSS Unit, the event had Dr. M Jagapathi Raju, the Director, as the key speaker. Dr. Jagapathi Raju highlighted the innovative aspects of Pushpak, emphasizing its potential to reduce rocket launch costs, minimize space debris, and protect the environment. He urged engineering students to explore such groundbreaking experiments to enhance their skills in science and technology. Sri Ch Rangasai, Convenor of Janavigyan Vedika, stressed the importance of these initiatives in inspiring students. Dr. R Krishna Chaitanya, NSS Coordinator, Dr. K M Ganesh, from the Department of Civil Engineering, and others actively participated in the event. It inspired students to strive for excellence in their scientific pursuits.

KARGIL VIJAY DIWAS celebrations

The SRKR NSS Unit commemorated Kargil Vijay Diwas on 26th July with deep reverence and patriotism on campus. Faculty and students gathered to pay heartfelt tributes to the courageous heroes who exhibited unparalleled valor and dedication during the Kargil War. The event was graced by Kargil war heroes from Bhimavaram and the surrounding areas, whose presence made the occasion even more meaningful. Honoring their remarkable courage, sacrifice, and unwavering commitment to protecting our nation's sovereignty, Dr. KV Murali Krishnam Raju, Principal, along with members of the SRKR NSS Unit, felicitated each war hero present. In his address, Dr. Murali Krishnam Raju emphasized that their selfless service and determination continue to inspire generations, embodying the immense strength found in unity and resilience. The war heroes, in turn, shared their personal experiences and emotions from the war, offering the audience a glimpse into the challenges they overcame. Their stories left a lasting impact, igniting a renewed sense of patriotism and admiration among all present.

Superannuation in the Dept. of Civil Engineering

Farewelling Prof. Rama Raju, who dedicated nearly 40 years to teaching across various departments, the Department of Civil Engineering held a superannuation ceremony on 10th July 2024. The felicitation ceremony was presided over by Sri SV Ranga Raju, Vice President. Dr. M Jagapathi Raju, the Director, praised Professor Raju for his exemplary service and contributions to railway engineering institutions, which have significantly enhanced the college's reputation. Dr. KV Murali Krishnam Raju, the Principal, Dr. ACSV Prasad, Head of the Department of Civil Engineering, as well as faculty and staff members of the Dept. participated and wished him the best.

Stimulations

1st B.Tech Orientation

In July 2024, SRKREC welcomed its first-year B.Tech students with an Orientation Program on the 31st. Dr. K Murali Krishna, the In-charge Vice Chancellor of JNTUK, Kakinada, graced the event as the chief guest. In his address, he encouraged the aspiring engineers to aim high by establishing industries that contribute to society and set benchmarks for the nation. He also highlighted the achievements of notable alumni from SRKREC and JNTUK, emphasizing the importance of clear communication, subject mastery, and time management as key ingredients for success. Sri SRK Nishant Varma, the Secretary cum Correspondent, SRKREC, honored the legacy of his grandfather, the late Sri Sagi Rama Krishnam Raju, founder of the institution, and reaffirmed the college's unwavering commitment to progress and excellence. The event, presided over by Dr. K.V. Murali Krishnam Raju, the Principal, also saw the participation of Dr. M. Jagapathi Raju, the Director, Sri S.V. Ranga Raju, Vice President, along with Deans, Heads, faculty members, students, and parents.

Hackathon Vedic Vision 2024

SRKR Engineering College hosted the "Vedic Vision 2024" hackathon, focused on advancements in Artificial Intelligence. A poster was released a week in advance to help participants prepare for the event. Organized by the Department of Physical Education and the PAIE Cell, the hackathon aimed to encourage innovation and practical applications of AI, running continuously for 24 hours. During his address, Dr. M. Jagapathi Raju, Director of SRKREC, emphasized AI's pivotal role in development. Third-year students T Rajesh, NV Vasu, TSN Manikantha, P Nikileswar, M Harish, and Venkata Ramana secured first place with a cash prize of Rs. 10,000 for their Cricket Management app. The second prize of Rs. 6,000 went to the team of GrandhiHarshitharaju, Vinayaka, B Uma Venkata Karthik, C H Rithin, and K Lakshit for their AI application focusing on Yoga, Sports, and Physiology. Additional third and fourth prizes were also awarded. The event was presided over by Dr. P Satyanarayana Raju, Physical Director, and attended by college officials, including Dr. KV Murali Krishnam Raju, the Principal, Prof. V. Chandrasekhar, Head, Dept. of CSE, and Dr. P Bhavani, Head of Engineering Chemistry.

Stimulations

SRKR Toastmasters Club: Idea to Connect

On August 25, 2024, SRKREC, hosted a dynamic one-day seminar titled "Idea to Connect," organized by the Toastmasters Club District 126 SRKR Unit. This seminar aimed to foster personal development and leadership skills among the youth. Mr. Rahul Jain, Managing Director of a prominent company, served as the keynote speaker. In his address, he highlighted the pivotal role of personal growth and effective leadership in achieving success. The event was presided over by Prof. Bh V N Lakshmi, Head of English and Foreign Languages. Mr. Jain underscored the importance of communication skills and subject expertise for a successful future. The seminar was skillfully coordinated by Mr. Hari Nair, Mr. M Shankar, Smt. Aruna Kumari, Assistant Professors of the Department of English and Foreign Languages, along with the SRKR Toastmasters, and was attended by nearly 200 students. As a mark of appreciation, Mr. Rahul Jain was presented with a memento by the Toastmasters Club for his valuable contributions to the event.

Sports and Games

The Department of Physical Education, in association with SRKR WEC, organized a month-long free summer training camp in Badminton and Chess for junior-level boys and girls throughout May. Dr. M Jagapathi Raju, Director of SRKREC, inaugurated the camp on May 1, 2024. During his speech, Dr. Jagapathi emphasized the importance of integrating sports, personal skills, and mental development into the new education system, starting from the primary level. He stressed the need to nurture students' interest in sports from a young age and to provide them with quality training to achieve proficiency. Dr. KV Murali Krishnam Raju, the Principal, noted that the college has seen promising results from students trained in shuttle badminton, chess, and other sports in recent years. Approximately 50 children participated actively in the camp and received training in both sports. Dr. Kiran Kumar Varma from the Department of EM&H served as the shuttle badminton coach, while Ms. I. Uma Maheswari was the chess coach. The training program concluded on May 31. Sri SRK Nishant Varma, Secretary cum Correspondent, distributed trophies to the participants in the presence of Dr. K.V. Murali Krishnam Raju, Dr. M Jagapathi Raju, Prof. Bh VN Lakshmi, In-charge of WEC, Dr. P Bhuvaneswari, Coordinator of WEC, Dr. P Satyanarayana, PD, Mr. Ch Hari Mohan, Smt. Sarika, PDs, the coaches, and other faculty members.

Women Empowerment Cell

Workshop on Digital Foundation

In an effort to foster essential technological skills and bridge the digital divide, SRKR WEC organized a three-day workshop titled "Digital Foundation: Ex-Floor Computer Brain and MS Office" for the girl students of Kopalle Zilla Parishad High School. Held from July 23 to 25, this initiative was designed to introduce foundational computer literacy and practical skills in MS Office. By providing targeted training and resources, the workshop aimed to empower students with the knowledge needed to navigate and excel in an increasingly digital world. Dr. KV Murali Krishnam Raju, the Principal of SRKREC, inaugurated the event and highlighted the importance of early computer education. On the final day, certificates were awarded to the students who completed the training. Dr. P Bhubaneswari, Coordinator of WEC, facilitated the program in collaboration with Smt. Nirmla Devi, Principal of Kopalle Zilla Parishad High School. The workshop was well-received and made a significant contribution to the students' development of technological skills.

Elocution

On June 26, 2024, SRKR WEC marked The International Day against Drug Abuse and Trafficking with a compelling Elocution Competition centered around the theme "The Evidence is Clear: Invest in Prevention." The event was designed to raise awareness about the harmful impact of drug abuse and to stress the critical need for evidence-based prevention strategies. Participants delivered powerful speeches that underscored the global efforts required to address illicit drug trafficking and emphasized the importance of investing in preventive measures. Their insightful presentations helped deepen the audience's understanding of the issues at hand and the need for concerted action by communities and policymakers. The event concluded with the distribution of prizes to the winners, recognizing their outstanding contributions to the discourse on drug abuse prevention.

An Invited Talk on Amplifying Women's voice in the pursuit of Justice

The Internal Committee of SRKREC in collaboration with the Dept. of CIVIL Engineering arranged a talk on 'New Criminal Laws for raising the voice of Women for Justice' on 18th April, 2024. Dr. M Chitra Bhanu, Advocate and Educationalist of DNR Law College, was the Speaker. She explained the laws in supporting the women at workplace, particularly ACT 2013. New criminal laws are providing more support to the victims. Raising the voice against harassment must be supported by the colleges and a collective fighting against criminals give positive results. She also stressed on "Prevention is better than cure". The objective of the program is to make the students and women employees aware of supporting laws and to make them strong and collective in raising their voices against the harassment in any manner. The dignitaries, Prof K.V. Murali Krishnam Raju, The Principal, Prof. M. Jagapathi Raju, Director, and Prof. Bh V N Lakshmi, In-charge, IC, Dr. PVS Lakshmi Aparna, coordinator, and other Members of IC felicitated the speaker and concluded the event.

Women Empowerment Cell

Workshop at Kopalle Zilla Parishad High School

On August 26, 2024, SRKR WEC, in collaboration with Aikya National Foundation and Vandematharam Foundation organized a one-day workshop titled "Pathways to Higher Education: Leveraging National Merit Scholarships" at Kopalle Zilla Parishad High School in Kalla Mandal. This workshop was designed to provide students with essential guidance on securing financial support through national merit scholarships for their higher education journeys. Through insightful sessions and inspiring success stories, the workshop aimed to equip students with the knowledge and motivation needed to navigate scholarship applications and plan for their academic futures. Key speakers included Dr. P Bhubaneswari, SRKR WEC Coordinator, Smt. Nirmala Devi, School Principal, Dr. M Srinivas, Professor of Mathematics, Mr. Y Srinivasachari, Aikya National Foundation Chairman, and Mr. Pericherla Ashok, VandeMataram Foundation AP Chairman. The event featured sessions on scholarship applications and career guidance. Students of classes 7 and 8 also benefited from the inspiring stories of the two high school graduates who received scholarships and are currently pursuing higher education. The workshop provided valuable insights and encouragement to the students, fostering their aspirations for academic excellence.

Drug Free Andhra Pradesh

In response to the growing concerns over drug and tobacco use among students, the Government of Andhra Pradesh has taken proactive measures to tackle this pressing issue. In support of this noble cause, the SRKR Anti-Drug Committee launched a campaign titled "Youth, Wake Up—Say No to Drugs." As part of this initiative, on August 6, 2024, Prof. G V S Padma Rao from the Department of ECE and Prof. Bh V N Lakshmi, Head of the Department of English and Foreign Languages, who are chief members of the Anti-Drug Committee, organized an anti-drug and anti-tobacco awareness program in the I-Block on campus. Dr. A Sivashankar, a renowned orthopedician, and Smt. N Satya Vignan Devi, an advocate, addressed the students, discussing the serious health and legal consequences of drug and tobacco use. The speakers emphasized the importance of leading a healthy and drug-free lifestyle, urging students to remain vigilant against peer pressure and the temptation of harmful substances. The program also included interactive sessions where students had the opportunity to ask questions and share their concerns. In his closing remarks, Prof. K V Murali Krishnam Raju, the Principal, SRKREC, highlighted the critical role of educational institutions in shaping a drug-free society and encouraged students to be ambassadors of this cause, both on campus and beyond. The event concluded with a pledge by all attendees to remain drug-free and spread awareness among their peers.

Women Empowerment Cell

The World Youth Skills Day 2024

The SRKR WEC, in collaboration with the Dept. of English and Foreign Languages, organized a panel discussion in observance of World Youth Skills Day 2024 on 15th July 2024. The theme for this year, "Youth Skills for Peace and Development," emphasized the importance of equipping young people with the skills necessary to build a more peaceful and prosperous world. Virtual Guest speakers included Radhika Alapati, Solutions Architect in the Custom IC R&D Division at Cadence Design Systems Headquarters, San Jose, California, and Suresh Kolisetty, SR Solutions Architect at Commonwealth Bank, Sydney, Australia, also the alumni of SRKREC. Prof. Bh V N Lakshmi, In-charge of WEC, and Dr. P Bhuvaneswari, Coordinator of WEC, along with student members of WEC, coordinated the event. The speakers highlighted the critical role young people play in promoting peace and development at the global level. By acquiring skills such as conflict resolution, sustainable development, and social entrepreneurship, young individuals can become active contributors to their communities, fostering harmony, prosperity, and progress. As the world celebrates Youth Skills Day 2024, it recognizes the boundless potential of youth in shaping a brighter future for all.

The World Nature Conservation Day - 2024

On July 26, SRKR WEC organized a sapling planting program at Kopalle Zilla Parishad High School in Kalla Mandal to celebrate World Nature Conservation Day - 2024. The event focused on promoting environmental protection through large-scale tree planting. Dr. KV Murali Krishnam Raju, Principal of SRKREC, highlighted the importance of tree planting for environmental conservation, efficient use of natural resources, and maintaining ecological balance. He emphasized the collective responsibility of tree planting, water conservation, and maintaining a clean environment. During the event, students planted approximately 30 saplings on the school premises. Dr. P Bhuvaneshwari, SRKR WEC Coordinator, and Smt. Nirmala Devi, School Principal, were joined by Mandal Education Department Officer Sri G Kanaka Raju, Aikya National Foundation Chairman Sri Y Srinivasachari, and Organizing Secretary Sri G Swamy Naidu in participating in the program. As part of this celebrations WEC conducted drawing competition and gave away prizes to the winners. The student members of SRKR WEC, including Ms. Anjana Devi, Mr. Purnachandra, Ms. Harshita, and Ms. Srivalli, actively contributed, showcasing their commitment to environmental stewardship.

College & COMMUNITY CONNECT

Filter Bed Foundation Stone

SRKREC, in collaboration with Prasad Constructions and Co. Private Limited, has undertaken a significant development initiative in Pedaamiram Panchayat village. On 08th of June, Sri SRK Nishant Varma, Secretary cum Correspondent, SRKREC, laid the foundation stone for the construction of a filter bed, which will be built at a cost of Rs. 35 lakh. This project aims to provide clean drinking water to the village, addressing a critical need for the local community. During the ceremony, Sri SRK Nishant Varma emphasized the college's commitment to contributing to the development of surrounding villages as part of their service programs. Sri DokkuSomeswara Rao, village Sarpanch, expressed his gratitude, noting that the filter bed, with a capacity of approximately 60,000 liters, will ensure a reliable supply of fresh water for the residents. The event was attended by Sri Jawwadi Kishore, Deputy Sarpanch, Sri Kora Rammurthy, constituency BJP in-charge, ward members, and other local participants.

Community Development and Educational Enhancement

In a continued effort to support local education and community development, SRKREC, in partnership with Prasad Constructions (Project Works) Limited, organized several development programs at Chinaamiram Zilla Parishad High School. On 20th July 2024, Sri Sagi Prasad Raju, the President, SRKREC, inaugurated these initiatives, which are aimed at enhancing the school's infrastructure. The event was marked by the presence of Smt. V Anuradha, Principal of the high school, who expressed deep appreciation for the support provided by Sri Sagi Prasad Raju and his family. The inauguration was attended by Sri SRK Nishant Varma, Secretary cum Correspondent, Sri SV Ranga Raju, Vice President, Dr. M Jagapathi Raju, Director, Dr. KV Murali Krishnam Raju, Principal, and other notable figures. This initiative underscores SRKREC's ongoing commitment to community development and educational enhancement, with significant contributions directed towards improving school facilities and resources.

Training on Fundamentals of Computers and Tools

Dr. KV Murali Krishnam Raju, Principal of SRKREC, released the poster for the free training program a week in advance, emphasizing the growing significance of computer literacy in today's digital age, where even basic applications require a fundamental understanding of computers. To address this need, the Department of CSE organized a week-long free training program from May 10th to 17th on 'Fundamentals of Computers and Tools.' The program aimed to equip participants with essential computer skills and saw active engagement from around 50 individuals. The curriculum included hands-on sessions covering MS Office, Excel, and PowerPoint, providing practical skills applicable in both daily and professional contexts. At the closing ceremony, certificates were awarded to participants who successfully completed the training. Dr. V Chandrasekhar, Head, Dept. of CSE, commended the participants for their enthusiasm and dedication, expressing satisfaction with the program's positive feedback. Dr. Murali Krishnam Raju reiterated the college's commitment to community service and announced plans to expand such training programs in the future, ensuring broader outreach and impact.

Knowledge Sharing

FDP on IoT and Cybersecurity

From 24th to 28th June 2024, the Department of CSE hosted a comprehensive week-long faculty training program on "Cybersecurity and Blockchain Technology (IoT and Cybersecurity)." The workshop was designed to address the growing importance of cybersecurity in our increasingly digital world. The inauguration was led by Dr. KV Murali Krishnam Raju, the Principal, SRKREC, with insightful sessions by Mr. Kamlesh Joshi and Technical Adviser Mr. M Srinivas Rajulu. They emphasized the escalating threat of cybercrimes and the risks involved in sharing personal information on social media platforms. Over the course of the week, participants engaged in in-depth discussions on the necessity of integrating cybersecurity education into all engineering disciplines. The program highlighted the crucial role of blockchain technology in enhancing security measures and protecting personal data. The event concluded with a call to action for continuous awareness initiatives. Special recognition was given to faculty members, including Dr. GNVG Sirisha and Dr. Ravi Kiran Varma, for their significant contributions to the success of the workshop.

Workshop on Outcome-Based Education

The Internal Quality Assurance Cell of SRKREC hosted a three-day workshop titled "Effective Implementation of Outcome-Based Education" from June 20th to 22nd. The workshop was inaugurated by Dr. KV Murali Krishnam Raju, the Principal, and Dr. M Jagapathi Raju, the Director of SRKREC. Dr. S. Bhaskar, Dean of Research and Development at Thyagarajar College of Engineering, served as the resource person for the program. The workshop aimed to enhance the understanding and application of outcome-based education (OBE) among faculty members, aligning with global educational standards. In his inaugural address, Dr. Bhaskar emphasized the importance of OBE in elevating the reputation of both faculty and institutions. He noted that while OBE has been successfully implemented in developed countries for over three decades, India still faces challenges, with only 10% of the 1.5 million engineering graduates securing employment annually. The workshop underscored the need for continuous skill development among teachers to improve educational standards and adapt to the evolving demands of the industry. Dr. M Jagapathi Raju and Dr. Murali Krishnam Raju reiterated the college's commitment to organizing such workshops regularly to enhance academic standards. Faculty, Deans, and other college officials actively participated, contributing to the workshop's success.

Knowledge Sharing

Workshop on Generative AI

A Five-Day workshop titled "Engineering the Latest Technology That is Rapidly Changing," focusing on Generative Artificial Intelligence Prompt Engineering was jointly organized by the departments of AIML and CSE from 2nd to 6th July 2024. The event was presided over by Dr. GNVG Sirisha, Head, Dept. of AIML. Sri Uma Desu, the Chief Artificial Intelligence Officer from GenAI Pioneer and Sri P Bhaskara Rao, Research and Development Engineer, Product Labs, IIIT Hyderabad acted as resource persons. Sri Uma Desu emphasized the accelerated pace at which new technologies are reaching the market and stressed the importance for faculty to stay updated and impart this knowledge to students. Dr. M Jagapathi Raju, the Director, SRKREC, encouraged the engineering faculty to continuously engage with emerging technologies. During the event, Sri SV Ranga Raju, Vice President, honored Sri Uma Desu for his contributions. The workshop also featured insights from Dr. KV Murali Krishnam Raju, the Principal, Dr. V Chandrasekhar, Head of CSE, and Mr. R Murthy, Asst. Professor. Nearly 91 Students from final year CSE and AI & ML participated and the program provided valuable learning and networking opportunities for them, enhancing their understanding of cutting-edge AI technologies.

FDP on GENAI and PROMPT Engineering

The Dept. of CSE hosted a three-day FDP titled "GENAI and PROMPT Engineering," from 9th– 11th July. Dr. V Chandrasekhar, Head, Dept. of CSE, presided over the workshop. Sri Uma Desu, Chief Artificial Intelligence Officer, GenAI Pioneer, was the resource person. Highlighting the transformative impact of Generative AI on the future job market and technological advancements, Sri Uma Desu emphasized that mastering Generative AI would be crucial for students seeking career opportunities in the evolving tech landscape. He also discussed the new technology's potential to address language limitations in software development and its revolutionary applications in various fields. Dr. M Jagapathi Raju, the Director, SRKREC, urged the faculty of various departments to engage in continuous learning and stay abreast of new technologies. All the participants got benefitted from the program.

WORKSHOP ON COMPETITIVE CODING

Competitive coding, also known as competitive programming, has become an essential skill for students and professionals aspiring to excel in the field of computer science and software engineering. With this in mind, the Department of CSE organized a two-day workshop on Competitive Coding on the 29th and 30th of July, 2024. Mr. M Prudhvi Tej, the Chief Technical Officer, Bodha Software Technologies, served as the resource person. Third-year students from CIC, AIML, and CSE participated in the workshop. Several students received appreciation certificates for their performance. Mr. Tej effectively explained the concepts through hands-on practice, enabling the students to enhance their coding skills. Speaking on the occasion, Dr. KV Murali Krishnam Raju, Principal, emphasized that the workshop not only equips participants with problem-solving abilities but also prepares them for coding contests and technical interviews at leading tech companies. Prof. V Chandra Sekhar, Head of the Department of CSE, Dr. GNVG Sirisha, Head of the Department of AIML, and other faculty members actively participated in the workshop.

Knowledge Sharing

WEBINAR on Oracle Cloud Infrastructure

The Dept. of CSE organized a webinar on "Oracle Cloud Infrastructure" on the 19th of July, 2024. The resource persons for the event included Mr. Gurupreeth Singh, Mr. Satyajee Das, Mr. Ravi Gujjala, and Ms. Anuradha Sharma. Mr. Singh provided an introduction to Oracle Cloud Infrastructure, covering its architecture, key components, and advantages over traditional on-premises solutions and other cloud offerings. Mr. Das offered insights into Oracle's Compute and Storage Services, where students learned about OCI's high-performance computing capabilities and scalable storage options that support a wide range of workloads. Mr. Ravi discussed Networking and Security, focusing on how OCI's advanced networking features and integrated security ensure seamless and secure connectivity across both cloud and on-premises environments. Ms. Anuradha Sharma explored Migration Strategies, sharing best practices for migrating existing workloads to OCI with minimal disruption and maximum efficiency. The event was coordinated by Smt. M Jeevana Sujitha and Mr. DVSRK Raju, Dept. of CSE. Students actively participated and benefited from the inputs given.

FDP on AI & ML Applications

The field of Artificial Intelligence (AI) and Machine Learning (ML) is rapidly transforming industries and reshaping the future of technology. To keep up with these advancements, educators and professionals must stay updated on the latest trends, techniques, and applications. With this in mind, the departments of IT, AIDS and CSBS in association with Kan Prokagno Innovation Pvt., Ltd., organised a six-day FDP on Algorithms And Applications In Artificial Intelligence & Machine Learning (AI & ML) from 6th to 11th Aug. 2024. Dr. I Hemalatha and Dr. K Kishore Raju, Dept. of IT, coordinated the event. The program is designed to enhance the skills and knowledge of faculty members, researchers, and industry professionals who are keen to deepen their expertise in these cutting-edge technologies. Dr. K V Murali Krishnam Raju, the Principal, Dr. M Jagapathi Raju, the Director and Prof. BHVSRK Raju, Head, Dept. of IT, inaugurated the FDP and emphasized its goal of providing a comprehensive understanding of fundamental algorithms that drive AI and ML, while also exploring their practical applications across various domains. The faculty from various departments participated in the FDP and got benefitted.

Guest Lecture on Career Guidance in VLSI

The Dept. of ECE hosted a guest lecture titled "Career Guidance in VLSI Industry," on 18th and 19th July, 2024. Mr. M Praveen Kumar, Asst. Professor, coordinated the event. Mr. G Venkata Rao and Mr. Ratna Chaitanya acted as resource persons. The sessions provided an in-depth overview of career opportunities and job roles within the VLSI design sector, particularly for B.Tech graduates. Mr. Rao's presentation was noted for its engaging and interactive nature, fostering enthusiastic participation from the students. A total of 45 students from the final year B.Tech class attended the lecture, gaining valuable insights into the VLSI industry. The event was highly beneficial for students looking to enter this field, offering them a clearer understanding of potential career paths and industry expectations.

Creative Writing

Self in Sunshine

Prof. Bh V N Lakshmi,
Head, Dept. of Eng & FL

Unwanted and unleashed
thoughts like dark clouds
embraced my 'self'.
Marooned in mysticism
illusions flooded
as myriad voices echoed
the interpretations of
the horoscope.
Drifted away from logic
mind unsettled
between love and lines
that determine the future
of human beings.
Exhausted my hands
resorted to sketching
lines in black and white,
as a temporary respite.
Aesthetic shapes and shades
lulled my heart
and brought back
mellifluous words.
The music of
lexical cascade
magically
cleared the clouds
restoring rationalism.
And
I saw my 'self'
in sunshine.

Echoes of the South

Dr. Satish Kumar Nadimpalli,
Assoc. Professor, Dept. of Eng & FL

In the lands where the rivers sing,
Where temples rise, and bells do ring,
Lives a tongue, ancient and pure,
South Indian languages that endure.
From Tamil's depth, like ocean vast,
To Telugu's songs, that forever last,
Kannada whispers through the breeze,
And Malayalam flows with ease.
Each syllable, a story told,
Of kings and queens, both brave and bold,
Of saints who walked, with wisdom bright,
And poets who penned the stars at night.
In every word, there lies the past,
A culture rich, so deep, so vast.
These languages hold the key,
To heritage, identity, and unity.
Let us speak them, with pride anew,
For in their heart, the future grew.
Preserve, protect, let them thrive,
So generations next may keep them alive.
The voice of the South, a timeless song,
In every dialect, we belong.

Ephemeral Reverie

Ms. Alla Pavani,
AIML-A, 22B91A6110

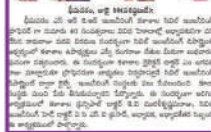

Beneath the red-blood sky
The fragrance of roses made the day
A Cloud of petals making the way
A Shower of thoughts in my mind does play
The Tide of emotions are sending them away
