Following is the report of various events conducted by SRKR ISTE Students' Chapter during the year 2023-24:

1) Fresher's Day: Date: 11-09-2023

Description: The event Fresher's Day is conducted to welcome new students. It marks the beginning of their academic journey and is often filled with excitement, joy, and a sense of anticipation. The SRKRISTE set up several stalls with volunteers to help new students acclimate to the campus environment, meet their peers, and foster a sense of community. In addition, a museum with a name 'NOSTAS' of retro theme was placed, providing a nostalgic allure that offers a perpetual link to the past.

2) Youth Spire: Date: 10-01-2024

Description: Youth spire event is conducted on the occasion of nation youth day. In addition to that, we did a special interview with Dr. N. Sathish Kumar on the topic of youth day and an interaction video with our college students.

Youth spire event features 2 competitions:

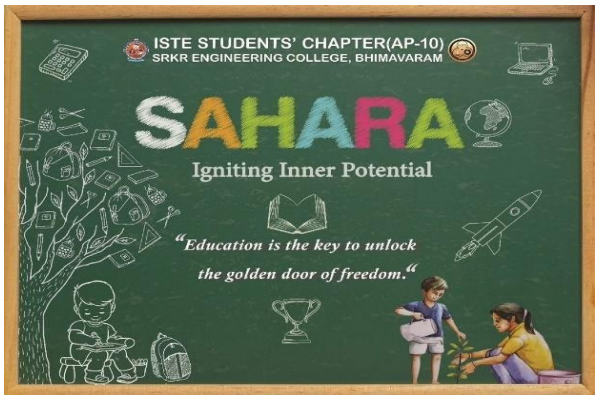

1) Elocution - Participants will speak on topics related to youth, including the role of technology in shaping the future of youth, Unlocking Creativity: Nurturing the imagination, techniques to build resilience and bounce back from setbacks.

2) Drawing: Sketch depicting the youth who are chasing their dreams reflecting their hard work and determination.

3) Sahara: Date: 15-02-2024

Description: *Sahara* is a social welfare program which is specially organized by SRKR ISTE. This event is conducted at Kovvada ZPH School located at Kovvada village. About 250 students from class 3rdto class 10th have participated in it. PPT presentations have been given based on their understanding level like for 3rd class students, personal hygiene and for10th class students, carrier guidance as a PPT presentation. Also we have conducted sports for the students. The day ends with plantation with the faculty and students.

4) NIPUNA: Dates: 22-03-24 &23-03-24

Description: NIPUNA is a largest Techno-Management Symposium, organized annually by the SRKR-ISTE in which hundreds of students from several colleges across Andhra Pradesh come to participate. NIPUNA is a plethora of technical and non-technical events having their unique allure and significance.

NIPUNA-24 is conducted with theme the LUNAFYRE- Wander the Luminous World. An adventurous journey through the time portal to a magical world invaded by a dark king, where there is plenty to explore and challenges to conquer, puzzles to unravel and mysteries to decipher.

NIPUNA contains 17+ events categorized into four different types: Technical, Managerial, Literature, and Artistic. Each category offers a range of activities designed to engage and challenge participants in diverse fields. The guest of inaugural is Sri Prithivi Raju Alluri, Co-Founder of Autodit and the guest of valedictory is Sri M. Vijay Kumar, Founder & CEO of Mind2i.
