Following is the report of various events conducted by SRKR ISTE Students' Chapter during the year 2024-25:

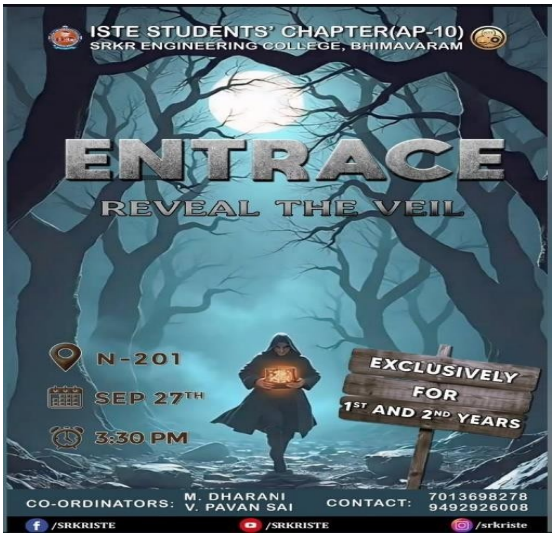

1) Fresher's Day: Date: 31-07-24

Description: Fresher's Day is celebrated at SRKREC to welcome new students. It marks the beginning of their academic journey and is often filled with excitement, joy, and a sense of anticipation. The SRKR ISTE set up several stalls with volunteers to help new students acclimate to the campus environment, meet their peers, and foster a sense of community. In addition, a museum with a name 'NOSTAS' of retro theme was placed, providing a nostalgic allure that offers a perpetual link to the past.

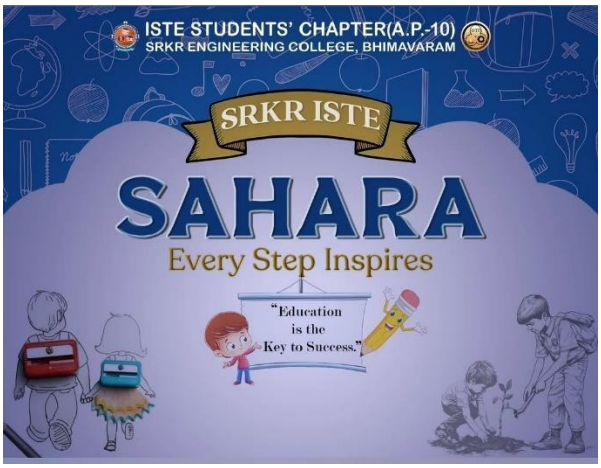

2) Entrace: Date: 27-09-24

Description: It's a 3 round event. In round-1, participants will analyze 15 images, some containing hidden clues. Using these clues, they must craft a story detailing how the thief escaped into the forest, outsmarting the police. Creativity and attention to detail are the key aspects! In round-2, participants will encounter a series of traps with jumbled letters as clues. They must unscramble these letters to reveal the solution navigate through the challenges. The final round involves solving a timed Sudoku puzzle. Completing the puzzle unlocks a box containing the artifact. The fastest solver wins!

3) Sahara: Date: 07-01-25

Description: SAHARA is a social welfare program which is specially organized by SRKR ISTE. This event is conducted at ZPH School located in Vempa. About 210 students from class 6th to class 10th have participated in it. The topics are chosen based on their understanding like for 6th class students, personal hygiene and for 10th class students, career guidance as a PPT presentation. Also we have conducted sports for the students. And the day ends with plantation with the faculty and students.

4) NIPUNA: Dates: 21-02-25 & 22-02-25:

Description: Nipuna is a largest Techno-Management Symposium organized annually by the SRKR-ISTE in which hundreds of students from several colleges across Andhra Pradesh come to participate. NIPUNA is a plethora of technical and non-technical events having their unique allure and significance.

NIPUNA'25 is conducted with theme PYROQUEST-*Rise from the Ashes*. An adventurous journey through the time portal to a magical world invaded by a dark king, where there is plenty to explore and challenges to conquer, puzzles to unravel and mysteries to decipher.

NIPUNA contains 17+ events categorized into four different types: Technical, Managerial, Literature, and Artistic. Each category offers a range of activities designed to engage and challenge participants in diverse fields. The chief guest of inaugural function is Devanand Chintoju, Director of Data Science, Walmart. The chief guest of valedictory function is Mr. Kowshik Maridi, Personal Finance Expert & Youtuber.
