Following is the report of various events conducted by SRKR ISTE Students' Chapter during the year 2025-26:

1) Fresher's Day: **Date: 04-09-25**

Description: Fresher's Day 2025–26 at SRKREC was organized to warmly welcome the new students and mark the beginning of their journey at the institution. The event created an energetic and welcoming atmosphere, giving freshmen an opportunity to become familiar with the campus, interact with their peers, and connect with various student activities and communities.

2) Web Craft: **Dates: 12-12-2025 & 13-12-2025**

Description: The workshop focused on introducing students to the **basics of web design** and helping them understand how to effectively present their skills, achievements, and interests in a professional manner. Through practical guidance and hands-on activities, participants learnt how to create a **personal portfolio** that could serve as a digital representation of their abilities and accomplishments. Resource Person: Sri Ch Siva Subrahmanyam, Asst Professor, SRKREC, Bhimavaram.

3) Sahara: Date: 23-01-2026

Description: **SAHARA** was organized by **SRKR ISTE at ARKR MPL High School, Bhimavaram**, as a social outreach initiative aimed at creating awareness among school students and promoting education, safety, social responsibility, and active participation. The program included **educational and awareness sessions** for students of Classes 6th to 9th, covering topics relevant to their academic and personal development. A dedicated session for **girl students** focused on **self-safety, girls' education, rights, and relevant laws**, encouraging awareness, confidence, and personal safety.

4) Samagra: Date: 05-03-26 & 06-03-26

Description: As part of **SAMAGRA 2026**, SRKR ISTE organized the **Project Expo** on **5 March 2026**, providing participants with a platform to showcase their innovative projects and working models at a national-level event. The expo encouraged students to transform their technical knowledge and ideas into practical solutions for real-world problems.

Participants presented their projects before evaluators, explaining the **concept, innovation, functionality, practical applications, and future scope** of their work. The event helped students strengthen their **technical knowledge, problem-solving abilities, creativity, project development, and presentation skills**.

Ideathon provided participants with a platform to develop and present innovative ideas addressing **real-world problems**.

Research Presentation was organized with the theme **"SDGs in Higher Education."** The event provided participants with a platform to explore and present research on the role of higher educational institutions in achieving the **United Nations' Sustainable Development Goals (SDGs)**.
