International Women's Day- Report

Event Name	Celebration of International Women's Day 2026
Event Date	06-03-2026
Event Coordinator	Dr. I SWETHA MONICA
Event Organizers	K. Sonali P.L.S. Prasanna P. Sai Meghana
Association	Women Empowerment Cell
Description of the Event	On March 6, 2026, the Women Empowerment Cell (WEC) of SRKR Engineering College celebrated International Women's Day 2026 on the theme "Give to Gain" with great enthusiasm and active student participation. The event commenced with a keynote address by the WEC Coordinator, outlining the theme's focus on reciprocal support for gender equity. This was followed by inspiring speeches from the Secretary, Director, and Principal of SRKR Engineering College, emphasizing women's leadership in STEM Chief Guest Dr. Rajul Maheshwari Patkar, a prominent SRKR alumna, Founder & CEO of Proximal SoilSens Technologies Pvt. Ltd., delivered a motivational talk sharing her journey of innovation and mentorship.The program continued with prize distribution to winners of WEC competitions like quizzes and posters, followed by certificates for the organizing team, awarded by the Chief Guest. The event concluded successfully, fostering collaboration and commitment among participants.

On March 6, 2026, the Women Empowerment Cell (WEC) of SRKR Engineering College (SRKREC) successfully organized International Women's Day 2026 celebrations under the theme "Give to Gain." The event, held on campus, emphasized reciprocal support and empowerment, aligning with global IWD initiatives. Students, faculty, and guests participated with high enthusiasm, fostering an inclusive environment for gender equity.

NOTICE

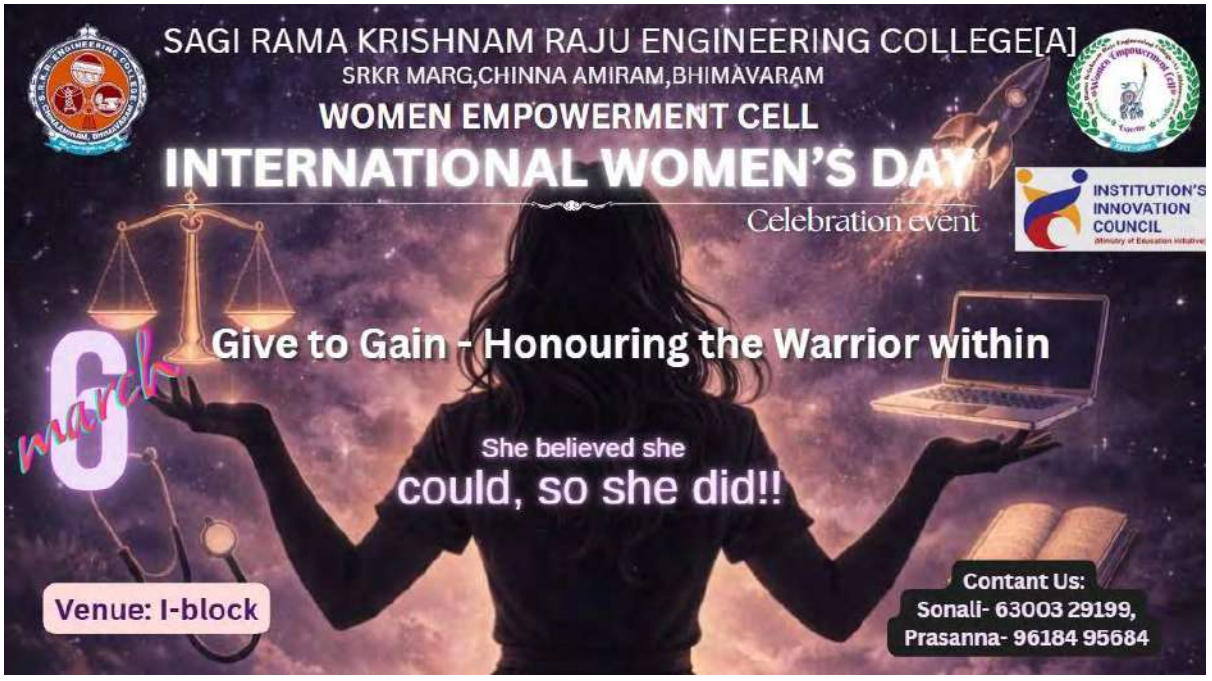

All the staff and students are hereby informed that the **Women's Day Celebrations – 2026** of our college will be held on 6th March 2026 (Friday) from 9:30 A.M. onwards at I-Block.

We are delighted to share that our proud alumna **Dr. Raju Patkar, Founder, Soilsens**, will grace the occasion as the Chief Guest. Her achievements and entrepreneurial journey stand as an inspiration to our students and faculty members.

All the staff and students are requested to attend the celebrations and contribute to making the event a grand success.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

Speeches by College Leaders: Inspirational talks by the Secretary, Director, and Principal on women's roles in engineering and society, highlighting institutional support for skill-building.

Chief Guest Address: Dr. Rajul Maheshwari Patkar, a distinguished SRKREC alumna, Founder & CEO of Proximal SoilSens Technologies Pvt. Ltd., shared her entrepreneurial journey, mentoring insights, and the power of "giving back" in STEM.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

A special highlight was the felicitation of women faculty members who recently earned their PhDs, honoring their academic achievements and dedication to research excellence. These accomplished educators were presented with mementos

WEC conducted engaging competitions such as Making of reels based on students' talent on women's empowerment. Winners received prizes and certificates from the Chief Guest, recognizing student creativity and awareness.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

The event concluded with appreciation certificates for the organizing team, awarded by Dr. Patkar, celebrating their dedication. Participants pledged ongoing actions like peer mentoring and workshops, embodying "Give to Gain" through unity across genders.

Objectives of the International Women's Day celebrations:

1. To celebrate and honor women's achievements and contributions
2. To encourage awareness about gender equality and activities
3. To inspire confidence, leadership and collaboration among students

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

Impact of the Program:

The International Women's Day celebration achieved the following outcomes:

1. Increased awareness about women's empowerment and gender equality.
2. Encouraged creativity and self-expression through engaging activities.
3. Boosted confidence and participation among students.
4. Strengthened communication and teamwork through interactions.
5. Provided a platform for students to showcase their talents and gain recognition.
6. Created a positive and inspiring environment

The "International Women's Day Celebrations," organized by the Women Empowerment Club in collaboration with the EEE Department, proved to be a highly impactful and inspiring event. The transition from ideation to implementation and entrepreneurship (showcased through the Women's Day exhibition and sale) represents the spirit of innovation, leadership, and independence promoted at SRKR Engineering College. The event stood as a perfect blend of creativity, sustainability, and student empowerment, honoring the achievements and potential of women in technology.

The Women Empowerment Cell of Sagi Rama Krishnam Raju Engineering College(A) organized a Reel Contest to provide students with an opportunity to express their creativity and hidden talents through digital media. The contest aimed to encourage innovative thinking, artistic expression, and active participation among students.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

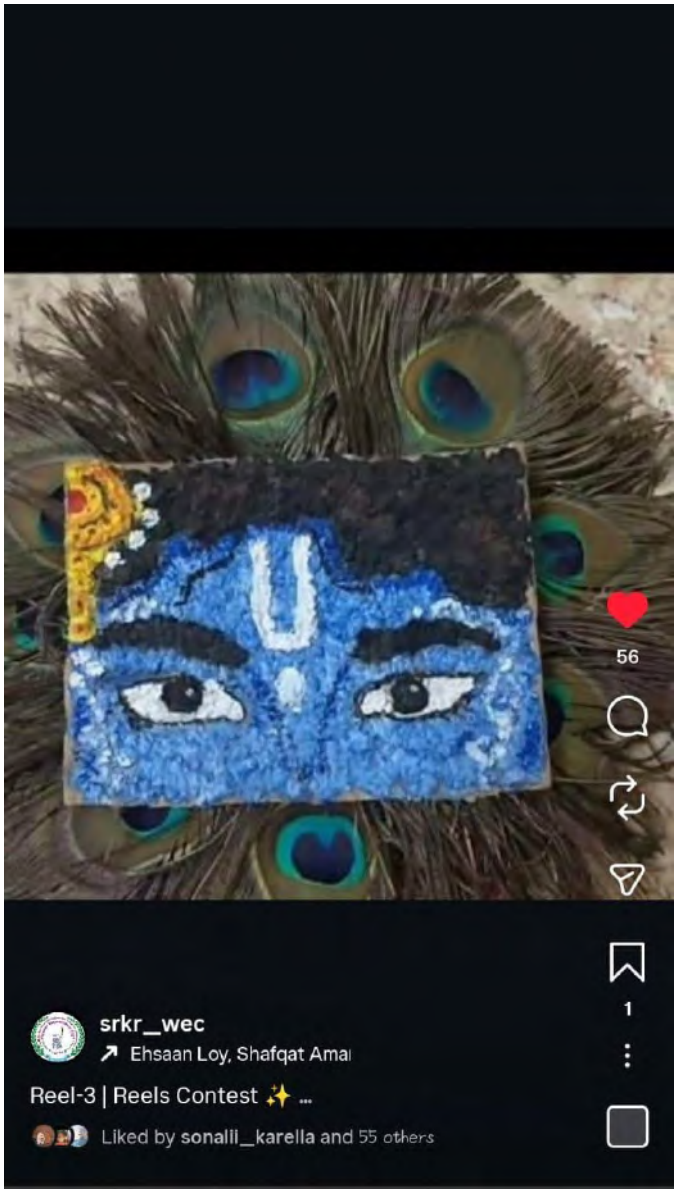

Objectives of the Contest

1. To provide a platform for students to showcase their creative talents.
2. To encourage artistic expression through short video reels.
3. To promote digital creativity and social media engagement.
4. To inspire students to confidently present their hidden talents.
5. To encourage innovation and creative thinking among students.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

Event Activities

Students were invited to create short reels of 30-40 seconds showcasing their creative work. The reels included various craft and art forms such as:

- Clay Design
- Paper Décor
- Designs from Scratch
- Shell Craft
- Resin Art
- Other creative handmade works

Participants recorded their creative process,final artwork,and presentation in the form of engaging reels. The reels were then uploaded through the provided Google Form submission Participants demonstrated their artistic skills and creativity while gaining confidence in presenting their work through digital platforms.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

Winners & Prize Distribution

The winners of the Reel Contest were recognized and awarded prizes for their outstanding creativity and presentation. The prize distribution was conducted on the occasion of **Women's Day**, making the celebration more special and memorable

.

Impact of the Program

The Reel Contest achieved the following outcomes:

- Encouraged students to explore and showcase their creative talents.
- Promoted confidence and self-expression among participants.
- Enhanced digital content creation and presentation skills.
- Provided a platform for structure to share their passion and creativity.
- Fostered enthusiasm and engagement within the campus community.

Conclusion

The Reel Contest organized by the Women Empowerment Cell was a successful initiative that encouraged students to express their creativity and talents through digital media. The event provided an opportunity for participants to gain recognition for the artistic work while building confidence and communication skills. The contest successfully highlighted the importance of creativity, innovation, and passion among students, reflecting the empowering spirit promoted by SRKR Engineering College.

Date : 27-02-2026
Time : 9:00 to 11:30 IST

The Women Empowerment Cell of SRKREC organized a compassionate outreach visit to an old age home with the objective of spreading joy, care, and emotional support among the elderly residents. The event created a meaningful platform for students to interact closely with senior citizens, understand their emotional needs, and contribute to their well-being through conversation, recreation, yoga, and nutritious fruit distribution.

Event Description

The program began with warm and friendly interactions between the students and the elderly residents. Students spent time speaking with them personally, listening to their experiences, and making them feel valued, respected, and emotionally connected. This helped create a welcoming atmosphere and reduced feelings of loneliness among the residents.

To make the gathering lively and enjoyable, the students engaged the elderly in *podupu kathalu* (riddles). This activity brought smiles, laughter, and enthusiastic participation from the residents. The riddles not only entertained them but also encouraged active thinking and cheerful involvement, strengthening the emotional bond between the students and the elderly.

As part of the wellness component of the visit, a 30-minute better sleep yoga session was conducted. The session included simple breathing techniques, relaxation practices, and calming exercises especially suited for elderly participants. The residents actively took part in the session and experienced a sense of peace, comfort, and relaxation, showing the value of such mindful activities in improving their mental well-being.

In addition to emotional and mental support, the students also expressed care through a small nutritional initiative. Fresh fruits such as watermelon and papaya were hygienically prepared, cut into pieces, and neatly served in bowls to the residents. This thoughtful act added warmth to the program and contributed to the happiness and nourishment of the elderly people.

Such outreach activities are important in higher education because they connect classroom learning with social values. Students learn that education is not limited to academics alone, but also includes humanity, responsibility, and service to the community. The event served as an experiential learning opportunity, helping students become more socially conscious and emotionally mature individuals.

Outcome of the program

The event had several valuable outcomes for college students, both personally and socially

1. It developed compassion, empathy, and respect toward elderly people.
2. It gave students an opportunity to understand the emotional and social challenges faced by senior citizens.
3. It improved students' communication and interpersonal skills through direct interaction with the residents.
4. It encouraged teamwork, service-mindedness, and active community participation.
5. It created awareness about the importance of mental health, emotional care, and social responsibility.
6. It inspired students to value human relationships and contribute positively to society.

The visit to the old age home by the Women Empowerment Cell of SRKREC was a meaningful and heart-touching initiative. Through friendly interaction, recreational activities, yoga, and fruit distribution, the program successfully promoted happiness and well-being among the elderly residents. At the same time, it instilled empathy, gratitude, and a sense of social responsibility among the students, making the event a memorable and impactful experience for everyone involved.

Hands on illumination workshop- Report

Event Name	Hands on illumination workshop
Event Date	11-10-2025
Faculty Advisor	Prof. Bh V V N Lakshmi
Event Coordinator	Dr.K.Swetha
Event Organizers	K. Sonali P.L.S. Prasanna P. Sai Meghana
Association	Women Empowerment Club
Description of the Event	The Women Empowerment Cell conducted a creative workshop titled **"Light Up Diwali with Hand-Made Love"** in the EEE Department with 30 enthusiastic participants. Students learned the basics of LED circuitry through demonstrations and hands-on activities. They designed and decorated LED-based clay diyas , applying electrical concepts in a practical way. The handmade products were displayed and sold from the 16th to 18th, giving students entrepreneurial exposure. Organized by WEC members under the guidance of the faculty coordinator, the workshop enhanced technical skills, creativity, and teamwork.

The Women Empowerment Club of Sagi Rama Krishnam Raju Engineering College (A), in collaboration with the Department of Electrical and Electronics Engineering (EEE), organized a **Hands-on Illumination Workshop** for B.Tech students. The workshop aimed to provide students with practical exposure to crafting sustainable lighting solutions, enhance creativity, and promote technical skill development among young innovators.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

Objectives of the Workshop

1. To give students hands-on experience in designing basic illumination circuits.
2. To promote creativity through the making of LED-based decorative diyas.
3. To introduce concepts of sustainability by using reusable components.
4. To encourage teamwork, innovation, and entrepreneurial thinking among students.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

Workshop Activities

The session began with an introduction to illumination concepts, LED circuits, battery mechanisms, and soldering techniques.
Students were then guided step-by-step in crafting their own **LED-based decorative diyas** using:

- LED lights
- Replaceable battery holders
- Decorative clay/wooden diya bases
- Basic wiring and soldering tools

The participants worked in teams and successfully created their own **sustainable, reusable illuminated diyas**, which glow for extended hours.

The workshop promoted creativity by showing how engineering principles can merge with festival aesthetics under the theme:
"Crafting Light, Sparking Creativity Together."

Post-Workshop Outcome: Diwali Special Sale

Following the successful completion of the workshop, students utilized the diyas they created to organize a **"Light Up Diwali with Handmade Love – Special Sale"** on campus.

Sale Highlights (16th–18th October 2025, Near N-Block):

- Display and sale of handmade **LED Sustainable Diyas**
- Features of the products included:
  - Energy-efficient LEDs
  - 24-hour glow capacity
  - Replaceable battery mechanism
  - Eco-friendly, reusable design
- The sale attracted significant attention from students and staff, motivating students and showcasing their creativity and technical competence.
- This initiative also encouraged entrepreneurial skills, as students managed pricing, presentation, and customer interaction.

The Diwali Special Sale received immense appreciation as Director Dr. M. Jagapathi Raju, Principal Dr. K. Muralikrishnam Raju, Prof. Bh. V. V. N. Lakshmi, and faculty from all departments visited the stall, encouraging the students for their creativity and innovative LED diya designs.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

Impact of the Program

The workshop and subsequent sale achieved the following outcomes:

- Enhanced technical skills in electrical basics and illumination circuitry.
- Promoted sustainable product development and environmental awareness.
- Strengthened student confidence through hands-on project execution.
- Encouraged leadership, teamwork, and communication skills.
- Provided a platform for students to showcase their creations and earn appreciation.
- Created a festive spirit within the campus with meaningful, handmade Diwali decor.

SAGI RAMA KRISHNAM RAJU COLLEGE(A)

The “Hands-on Illumination Workshop,” conducted by the Women Empowerment Club in collaboration with the EEE Department, proved to be a highly impactful event. The transition from **learning** (through the workshop) to **implementation and entrepreneurship** (through the Diwali sale) represents the spirit of innovation and empowerment promoted at SRKR Engineering College. The event stood as a perfect blend of technical education, creativity, sustainability, and student empowerment.

The event aimed to celebrate women's strength, courage, resilience, and achievements through creative expression. Students actively participated and showcased their artistic talents by portraying women as symbols of empowerment, leadership, and divine energy.

The competition received an enthusiastic response, with many participants expressing their ideas through meaningful and inspiring drawings.

Objectives of the Workshop

1. To promote awareness about women empowerment.
2. To encourage creativity and artistic expression among students.
3. To provide a platform for students to present their perspectives on women's strength.
4. To recognize and appreciate student talent in a fair and transparent manner.
5. To ensure fair recognition through public voting and evaluation.

Competition Activities

The Power of Shakti Art Competition was conducted as a drawing competition to promote women empowerment through creative expression. Students actively participated and presented artworks highlighting the strength, courage, and achievements of women.All the drawings were collected and displayed at a special stall during the Diwali celebrations. Public voting was conducted to appreciate the creativity of participants.

The final winners were selected based on a combination of public votes and evaluation by the organizing committee, ensuring fairness and transparency. Prizes were distributed to recognize the best artworks.

Exhibition and Public Voting

As part of the Diwali Diya Event, a dedicated stall was arranged to exhibit all the artworks created for the Power of Shakti competition. The display was organized attractively to ensure that every participant's work received equal visibility and appreciation.

Students, faculty members, and campus visitors were invited to observe the drawings and cast their votes for the artwork they found most impactful and creative. The voting process encouraged active engagement and made the event more interactive.

The final results were decided based on:

- Public voting
- Evaluation by the organizing committee

The exhibition and voting process added value to the competition by encouraging appreciation, confidence, and community engagement.

Prize Distribution

After the evaluation process, winners were finalized and prizes were distributed. All participants were appreciated for their creativity, effort, and active involvement in making the event successful.

Impact of the Program

- Promoted awareness about women empowerment and equality.
- Encouraged creativity and artistic expression among students.
- Built confidence and self-belief in participants.
- Provided a platform to showcase talent and ideas.
- Ensured fair recognition through public voting and evaluation.
- Increased student participation and campus engagement.
- Strengthened teamwork and coordination among organizers.
- Reflected the true spirit of “Shakti” — strength, courage, and leadership.

Conclusion

The Power of Shakti – Art Competition conducted by the Women Empowerment Cell was a meaningful and successful initiative.The event beautifully combined art, awareness, and community participation. It provided students with an opportunity to express their creativity while celebrating the power and potential of women.The program concluded successfully with prize distribution and positive feedback from participants and visitors.
