HoDs' messages...

Dr. N. Udaya Kumar,
HoD, Dept. of ECE

"Computers and electronic music are not the opposite of the warm human music. It's exactly the same."

—Bill Laswell

With academic excellence and research-oriented pedagogical ambience, the Dept. of ECE stands for students' success. Students are challenged academically alongside a potpourri of co-curricular activities that are integral to students' journey. The learning opportunities, in and out of the classroom, inspire the young minds to develop the knowledge and resiliency to meet life's challenges.

Dear students, your time at SRKREC provides learning experiences that broaden your ideas and prospects. The alumni of the department encourage and support the students in myriad ways. The department of ECE has a long history of integrating teaching with research and project-based learning, providing extraordinary opportunities for both UG and PG students to become involved with leading-edge engineering work.

The faculty and staff of the Dept. deliver exceptional attention and support to you providing with all the tools you need for your future. As we strive to become superlative in all our endeavours, I wish that you the students will develop intellectual resilience and flexible sensitivity during their academic odyssey. Best wishes!!!

- N Udaya Kumar

Dr. B. R. K. Varma,
HoD, Dept. of EEE

"Enthusiasm is the electric current that keeps the engine of life going at top speed. Enthusiasm is the very propeller of progress." — B. C. Forbes

Welcome to the Department of Electrical & Electronics Engineering at SRKREC. The incessant expansion of the Internet, Wireless Communications, Information Technology and Alternative Energy Technologies continues to fuel demand for electrical engineers. Students enjoy a friendly and cooperative learning environment which offers personalized interaction with faculty members and student participation in funded research projects. Our instructional laboratories are equipped with state-of-the-art instrumentation. The faculty in the department are committed to helping the students become curious problem solvers with a strong grasp of disciplinary foundations, and are prepared for self-directed learning of new techniques. Academics are balanced with a variety of extra-curricular and professional development activities including those of our very active Student IEEE organization.

The Department is very proud of the accomplishments of the students, whose abilities are consistently recognized with awards and rewards. Placing great value on the feedback from the students, the department continuously improves the educational experience, and comes up with new initiatives to ensure maximum benefit to the student population. Best wishes !!!

- B. R. K. Varma

MERITORIOUS MOMENTS

Keeping abreast of the current industry trends, SRKR T&P Cell imparts the required skill-sets to the students through well-designed training programs. Along with the tie-ups with various companies, it also provides internship opportunities to the students of all branches. An internship is a great way of learning, as it gives students on-the-job working experience. Besides the process of applying for internships, the T&P Cell trains students on various aspects such as resume making, interview skills, soft skills, etc. Also, it sends placement brochures, organizes campus recruitment and pooled interview drives to engage with potential employers. These relentless efforts have culminated into securing 787 single head placements and total 1301 placement offers so far from 50 reputed companies such as Amazon, Darwinbox, Epam, Latent View, ZF, TCS, IBM, Infosys, Cognizant, etc.

Press Meet

Sri S R K Nishant Varma, the Secretary cum Correspondent, SRKREC, speaking in a press meet, stated that the College is making even better progressive strides in all directions and dimensions. The collective efforts of the institution culminated in the superlative performance not only in placements but also in research & industry collaborative endeavours, and AICTE IDEA Lab activities. Prof. M Jagapathi Raju, the Principal, and Sri S S Prateek Varma, Member, the Governing Body, SRKREC, participated in the meet and conveyed their best wishes.

Niyukta Acharya Award

The Management, Prof. M Jagapathi Raju, the Principal, the faculty, and the non-teaching staff of SRKR Engineering College congratulated Dr. K R Satyanarayana, the Dean, T&P, on the occasion of receiving the Niyukta Acharya Award. The award is bestowed on him in recognition of becoming instrumental in securing a good number of placements for the institution across the state.

IBM Jury Award

Prof. M Jagapathi Raju, the Principal, SRKREC, congratulating the collective efforts of the institution, stated that it is an immense pride to announce the two awards that the institution won at the national level in the IBM Hack Challenge-2022 organized by IBM. A total of 20533 students from 1321 colleges across the country participated in the Hack Challenge and 331 teams are selected for the final competition. Finally, nine teams across the country are selected for the jury award and SRKR Engineering College team is one of them. The team members – Mr. A Sakshit, Ms. A Varshini and Mr. R Joharika from 3/4 IT - received the IBM Jury Award at the national level. Speaking on this occasion, the team explained that it had invented a new digital payment book website useful for small traders. Competitions were held online from 15th Sept. to the end of Oct. 2022. IBM announced the results on 17th Nov. 2022. Sri SV Ranga Raju, Vice President, Prof. M Jagapathi Raju, the Principal, Dr. BHRK Ramakrishnam Raju, the Head, Dept. of IT, Dr. Gopalakrishna Murthy, Technology Center, and Dr. KR Sathyanarayana, the Dean, T&P, congratulated the students.

Training Program

Instructor-Led Virtual Training Program on Python programming and SQL from Industry experts was jointly organized by APSSDC and EXCELR. It started on 4th Oct. 2022 and continued for 15 days. The total duration of the program is 30 hours. Students actively enrolled and got benefitted.

Placement Drive

Legato Health Technologies visited SRKREC for recruitment. The pre-placement talk was given by the Vice President, Legato Health Technologies. Subsequently, the campus recruitment drive was conducted on 10th Oct. 2022.

Meritorious Moments

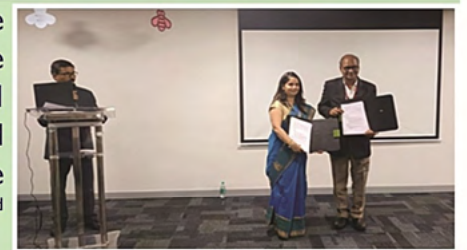

Times Group Award-2022

The glory of the institution has enhanced as it received 'Times Group Awards-2022' in the field of 'Excellence in Holistic Education for Next Generation'. Speaking on this occasion, Sri SV Ranga Raju, Vice President, said that this award was bestowed on SRKREC for its exemplary contribution in the areas of Societal Development, Educational Excellence, and Empowering the students in various sectors. Prof. M Jagapathi Raju, the Principal, SRKREC, received the award in Vijayawada on behalf of the institution. The Management appreciated and felicitated the Principal on this occasion.

Best College Award

IBM, one of the top-notch industries in India, selected 17 colleges across the country that contribute to the technical progress of the students in all the fields and gave away the Best College Award on 17th Nov. 2022. Prof. M Jagapathi Raju, the Principal, said that SRKR Engineering College is honoured to be one among them. He handed over the award to Sri S V Ranga Raju, Vice President, SRKREC, in a special program held in the College on Tuesday, 22nd Nov. 2022.

Bharat Education Excellence Award

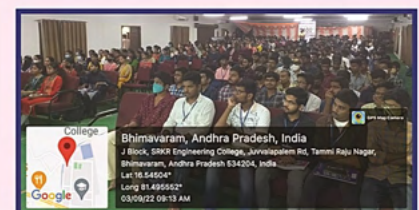

On the eve of the Teachers' Day, the AICTE and the Central Education Department jointly picked 5 Engineering colleges nationwide for the Bharat Education Excellence Award; SRKR Engineering College is one among them. It added one more feather to the cap of the institution. At an event held at Andhra University, Visakhapatnam, Sri Sagi Prasad Raju, the President, was honoured with Lifetime Achievement Award. Sri S S Prateek Varma, Member, the Governing Body, SRKREC, received the award on behalf of Sri S Prasad Raju. Dr. K R Satyanarayana, the Dean, T&P, was bestowed with Niyukta Acharya Award for his efforts towards placements for the academic year 2021-22. Sri K Hemachandra Reddy, the Chairman, APSCHE, and Prof. Prasad Reddy, the Vice Chancellor of Andhra University, presented the awards

and appreciated the holistic progress of the institution. Celebrating Teachers' Day on the campus, Sri SV Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, SRKREC, congratulated the entire teaching fraternity of the institution for all their commitment and hard work.

Orientation on Product - based roles

T&P Cell experienced superlative placements record for 2022 passed-out batch. Maintaining the same tempo, it scheduled various training modules much ahead for the third year B.Tech students. As a part of, it on 2nd Sept. 2022 the T&P Cell organized an orientation program on Product-based roles in AI Ecosystem. The resource person, Mr. M Krishna Swamy Jalla, the CEO, SURGE CLASSES, addressed the students and gave insightful information regarding various job opportunities and the required skill-set.

Meritorious Moments

NAAC A+

In the month of December, SRKR Engineering College was accredited with the prestigious A+ grade by the National Assessment and Accreditation Council (NAAC) with 3.42 CGPA out of 4 scale for a period of 5 years. NAAC is an autonomous body of UGC which evaluates Higher Educational Institutions in terms of their performance related to the educational process and outcomes, curriculum, teaching-learning process, research undertaken, governance, new initiatives and student services.

Felicitations by the Lions Club

On the occasion of getting accredited with NAAC A+ grade, the leaders of various sectors in association with the Lions Club felicitated Prof. M Jagapathi Raju, the Principal, SRKREC, on 26th Dec. 2022. Sri K. Venkatraju, the Lions Club Zonal Chairman, lauded the collective efforts of Management, faculty, students and staff of SRKREC. Sri Ch Ranga Sai, the Convener, Srivignana Vedika, congratulated the leaders of the institution.

Cheerful Moments

SRKREC has made great strides in Engineering Education and has emerged as one of the pioneering institutions in Andhra Pradesh. As each year passes by, the institution is expanding its academic and research canvas despite the challenges. Reflecting the collective efforts of the institution, all the allotted seats in 11 branches got occupied. Speaking in this context, Sri Ravi Prakash, SP, W. G. District, congratulated the Management, the Principal, and the Staff of SRKREC

and wished them the very best. He said that the commitment and hard work of the institution in taking care of its students, and its collaborative research endeavours made it the most sought after institution.

Dept. of EM&H

Dr. G Veeranna, Asst. Professor, Dept. of EEE was conferred doctoral degree by JNTUK. His research focus is on Performance Evolution of Nonlinear Controller for Power Converter Fed BLDC Motor Drives. Sri S R K Nishant Varma, the Secretary cum Correspondent, Prof. M Jagapathi Raju, the Principal, and Dr. B R K Varma, the Head, Dept. of EEE, felicitated Dr. Veeranna and encouraged him to continue his research further.

Eenadu Talent Test

Talent tests are intended to recognise talented students. For students, good performance on various talent tests can be a very valuable addition to their overall credentials. To sharpen the skills of the students, Eenadu, the most circulated Telugu Newspaper, in association with SRKREC, organized a talent test on the campus for the students of all branches. Many students participated with great enthusiasm. Sri S V Ranga Raju, Vice President, Prof. M Jagapathi Raju, the Principal, and Dr. Chandra Sekhar, the Head, Dept. of CSE, SRKREC, congratulated the winners and gave away the prizes and certificates.

Women Empowerment Cell Activities

SRKR Women Empowerment Cell works for the welfare of the students and the faculty preparing them to see beyond the gender and work for the collective goodness of society. It supports by providing personal guidance, legal awareness on specific issues concerning women and gender sensitization. It actively conducts diverse programmes in association with other departments on the campus and connects the young engineers with the surrounding community as well.

Guest Lecture

The WEC in association with the Dept. of ECE arranged a guest lecture on **Trends, Demands And Research Scope In The Area Of LED's** on 10th Nov. 2022. One of the prominent alumni of the Dept. of ECE, Mr. Challa Tejaswi, the technical expert in plastic omnium lighting, is the resource person. Addressing the students he shared his research experience and gave insightful information regarding the issues that occur while using the LED lights. Around 120 students attended and got benefitted. Prof. M Jagapathi Raju, the Principal, Dr. N Udaya Kumar, the Head, Dept. of ECE, Prof. Bh V N Lakshmi, the Coordinator, WEC, thanked Mr. Challa Tejaswi and advised the students to utilize all the resources on the campus to the optimum. Dr. P Bhuvaneshvari, Asst. Professor (English), Dr. T Hema Lakshmi and Asst. Professor (ECE), coordinated the program. Faculty from all other departments also participated in the program.

Cancer Awareness

Breast cancer is the most common cancer among women worldwide. The month of October is considered as Breast Cancer Awareness Month. To enhance support to spread the awareness the WEC of SRKREC organized an awareness program "Cancer Diagnosis, Complications and Treatment" on 28th Oct. 2022. The Chief Guest, Dr. Harish Dara, MS (Gen Surg), FMAS, DNB (Consultant surgical oncologist), Omega Cancer Centre, Bhimavaram Hospitals, gave insightful information regarding breast cancer, its causes, diagnosis, prevention, treatment and cure. He stated that some cancers can be treated if diagnosed in the early stage. He interacted with the students and cleared all their doubts. Sri S V Ranga Raju, Vice President, Prof. M Jagapathi Raju the Principal, Prof. Bh V N Lakshmi, the In-charge, WEC, Dr. P Bhuvaneshwari, the Coordinator, WEC and other faculty participated in the program and suggested the students to pay attention to the medical researchers' findings so that they can alert their friends and family in a better way. Dr. Aditya Pawan Kantheti, and Dr. Srikanth Nallam, Bhimavaram Hospitals, and others participated in the program.

Gender Sensitization Workshop

The WEC in association with the Dept. of CE conducted a workshop on 'Gender Sensitization'. Dr. D Vijayalakshmi, JNTUK Senate Council Member and famous Counselor, Kakinada, attended the workshop as the Chief Guest. Addressing the students she said that there will not be any discrimination amongst the youth when they get engrossed in achieving their goals without missing the element of social responsibility. For this she suggested that one should be mentally strong and march forward towards one's goals. Dr. M Swaroopa Rani, the Director, JNTUK WEC, commended the effective functioning of the WEC at SRKREC. Prof. Bh V N Lakshmi, the In-charge, SRKR WEC, initiated the program. Prof. M Jagapathi Raju, the Principal, Dr. PARK Raju, the Dean, R&D, Dr. ACNB Prasad, the Head, Dept. of CE, and Dr. P Bhuvaneshwari, the Coordinator, WEC, attended the program.

Women Empowerment Cell Activities

Expert Talk

On the eve of celebrating "The International Day for the Elimination of Violence against Women", an expert talk on **Legal Awareness on the Act - 2013** is organized by the Women Empowerment Cell (WERC & ICC) on 25th Nov. 2022. The Chief Guest, Smt. N. Satya Vijnana Devi, MA, LLM, Advocate, Bhimavaram, addressed and interacted with the students. Sharing her experiences with various clients and their problems, she stated that despite the existence of numerous regulations, assaults on women have not reduced. She mainly voiced the hope that if parents can put a bit extra effort and make their children grow with sensitivity towards other individuals and with no gender bias then the world can see a better tomorrow. Humaneness works better than the law. Sri S V Ranga Raju, Vice President, Prof. M Jagapathi Raju, the Principal, felicitated Smt. N Satya Vignana Devi and thanked her for sparing her valuable time to interact with the young minds. Prof. Bh V N Lakshmi, In-charge, WEC, Dr. Aparna, Smt. Sasikala, Dr. P Bhuvaneshwari, and other women faculty attended the program and gave their suggestions to the students.

Expert Talk: Prevention of Violence against Women

Promoting Gender Equality and Sensitization of the Provisions of Prevention, Prohibition and Redressal Act - 2013, the Women Empowerment Cell organised an expert talk on **"Prevention of Violence against Women"** on 28th Nov. 2022 in the CSE Seminar Hall. The Chief Guest, Smt. Gangavaram Sridevi, President, Telugu Bhasha Movement Samithi, addressed and interacted with the students. She explained the true intent at the back of some of the traditional practices. In the present digital world young minds are getting glued to various gadgets and are suffering from stress and depression. She suggested the students to explore the ultimate truth. She gave convincing answers to the doubts raised by the students. Sri S V Ranga Raju, Vice President, Prof. M Jagapati Raju, the Principal, and Prof. Bh V N Lakshmi, In-charge, WEC, felicitated Smt. G Sridevi in the presence of Dr. Hyma Lakshmi, Dr. Aparna, Dr. P Bhuvaneshwari and other women faculty.

Rashtriya Ekta Diwas Quiz

As a part of "Ek Bharat Shrestha Bharat", Department of Higher Education, Ministry of Education, Govt. of India conducted Rashtriya Ekta Diwas Quiz commemorating the birth anniversary of Sardar Vallabhbhai Patel and celebrated the cultural diversity of the nation. In this context, the Women Empowerment Cell of SRKREC inspired the students to participate in the Rashtriya Ekta Diwas Quiz which is related to culture, food, festivals, handicrafts, famous personalities etc., of various states of India. Students participated in large scale and rejoiced the experience.

The mark of any good educational institution is the support system it can provide to its students, be it academic or other. Its reputation rests on nurturing individuals and providing quality education and opportunities for the students to evolve. The alumni of SRKREC, holding reputable positions in various sectors across the globe, are one such support endorsing the quality of the institution. The alumni bring with them credibility and justification as part of a successful institution. Experiences shared by the alumni with students, whether in time management, financial management, development of self-discipline and character or in career management, are beacon lights to the young students. The alumni association of SRKREC is not just rejoicing the occasional meets but serving the institution in its best possible ways - acting as mentors, sharing their experiences and sometimes providing scholarships, internships, and placements as well. SRKREC is an institution which provides both quality education and strives for the inclusion of their alumni in both the roles of a stake-holder and a mentor.

Civil Alumni 1983-87 Batch Meet

SRKREC CIVIL alumni of 1983-87 batch celebrated a reunion in the college on 9th Oct. 2022 and cherished their memories and ever lasting association with the institution. Sri N N Samba Siva Rao, Chief Engineer of CPWD, Dr. SRK Reddy, Dr. D Ranga Raju, and others spoke on this occasion. The department of CIVIL Engineering felicitated the alumni amidst cheers. Also, the alumni felicitated Prof. M Jagapathi Raju, the Principal, SRKREC, who happened to be from the Dept. of CIVIL Engineering and appreciate the progressive strides of the institution under his leadership.

Interactions

Sri B.V.Naidu, the Chairman, Karnataka Divisional Economy Mission is one of the proud alumni of SRKREC. He visited the campus on 15th Sept. 2022 and reminisced his days at SRKREC. He keenly observed various innovative technological experiments of the students made on aqua related aspects in SRKREC IDEA Lab. Discussing with the students, he suggested them to focus on temperature of the water, aqua feed, fish tanks, etc. as it can serve the local community in a better way. Appreciating the Management's support and encouragement towards start-ups, he said that it widens the scope of taking up various projects by the students and the benefits of the customers utilizing the outcomes. Sri SV Ranga Raju, Vice-President, SRKREC, Sri S S.Pratheek Varma, Member, the Governing Body, and Prof. M. Jagapathi Raju, the Principal, SRKREC, felicitated Sri B.V.Naidu in the presence of Deans and HoDs.

One of the prominent alumni of SRKREC, Mr. Naga Satish, IFS Officer, Tamilnadu, visited the Campus on 20th Sept. 2022 and addressed the students. He focused on the importance of physical and mental health while claiming the ladder of expertise and knowledge. It also needs competitive spirit. Alongside, keeping abreast with the latest technological break throughs can make the students excel in their future endeavors confidently. He reiterated the point that SRKREC played a vital role in molding his career and making him what he is today. Prof. M. Jagapathi Raju, the Principal, SRKREC, Prof. N Udaya Kumar, the Head, Dept of ECE, felicitated Mr. Naga Satish in the presence of the faculty of the Dept. of ECE.

SRKREC Special Days

Engineers Day

SRKREC every year celebrates Engineers Day on 15th Sept. paying tributes to Sir Mokshagundam Visweswaraya. This year the theme of the Day was **Engineering for A Healthy Planet – Celebrating the UNESCO Engineering Report**. Engineering plays a huge role in designing and innovating machines, devices, structures, and digital systems that everybody uses today. This theme recognizes the effort of the field to contribute to society. SRKREC celebrated the Day on a grand scale with fervour. Sri S Lokeshwara Rao, Engineer R&B, the chief guest of the event, emphasised on how engineers play a key role in nation building. He also said that it is the need of the hour to consider the gravity of challenges the mankind is facing in the present times. Prof. M Jagapathi Raju, the Principal, SRKREC, with a note of pride stated that many of the alumni of SRKREC are active workforce towards global wellbeing and some of them even worked for Polavaram project and mission Bhageeratha. Sri S V Ranga Raju, Vice President, SRKREC, the Heads of various departments, and the senior faculty are among those who addressed the gathering. The event ended with the distribution of certificates to the students.

M.Tech Graduation Day

The M.Tech Graduation Day was celebrated on 30th Sept. 2022 with grandeur. It marked another milestone of the institution. The energy of the students was unmatched as they ushered in the most awaited event of their academic life amongst their friends and faculty. Sri S V Ranga Raju, Vice President, Prof. M Jagapathi Raju, the Principal, Dr. Murali Krishnam Raju, the Dean, Evaluation, and the Heads of the departments of Mechanical, Civil, ECE, EEE, CSE and IT congratulated the students and wished them the best in their future professional endeavours. Students are in high spirits and enjoyed themselves the event along with their parents. They expressed their sincere thanks to the Management and the academic leaders of the institution for facilitating them with superlative support in all aspects. Some of the parents who participated in the celebrations proudly stated that it is their dream to study in SRKREC and their children fulfilled that wish. The event came to an end with the photo session.

Knowledge Sharing

Knowledge that can be transferred between individuals will not only benefit the organization but also improve the competence of individuals involved in the process. Knowledge sharing is an important factor that affects the development and performance of the organization. Important output of knowledge sharing is the new knowledge and innovations that will improve organizational performance. Emphasizing this fact various technical and non-technical departments in SRKR Engineering promote various Faculty development programs, student development programs, Guest Lectures by experts as well as alumni, workshops, conferences, seminars, etc. enabling faculty and students to acquire skills that enhance their performance.

FTP

On 6th Dec. 2022, the Dept. of Chemistry organized a One-Day Faculty Training Program on **Remediation Program on Counselling and Mentoring in the Context of NEP – 2020** keeping in view that the teachers need skills and motivation to understand the new generation students and to get connected to them before the initiation of the counselling process. The resource person, Dr. K V SubbaRaju, Retd. Professor and Personality Development Trainer, Bhimavaram, shed light on the process, and gave inputs on effective tools relating to counselling and mentoring. Around 111 faculty attended the program and got benefitted.

FDP

SRKREC in collaboration with GITAM University, Visakhapatnam, organized a week-long FDP on **Integrative Research in Various Fields of Engineering** from 21st to 27th Sept. 2022. It is supported by the DST, Govt. of India, under STUTI program - 2021. Prof. B Srinivasa Prasad, GITAM Univ. and one of the resource persons, stated that the goal of research is achieved only when it benefits society. Sri S V Ranga Raju, Vice President, SRKREC, Prof. M Jagapathi Raju, the Principal, and the Heads of all the technical departments participated in the inaugural as well as the valedictory sessions of the program. Speaking in the inaugural session, Prof. M Jagapathi Raju emphasised on the point that as per the guidelines of NEP it is quintessential for the faculty to attend FDPs and share/ update their knowledge. He stated that the federal government, giving research a high priority is taking up a number of initiatives. The resource persons and experts have offered a number of recommendations about the collaboration of the engineering departments of civil, mechanical, electrical, and computer science. Faculty from 15 engineering colleges across the states of Telangana and Andhra Pradesh participated in the FDP and got benefitted. Dr. N Gopalakrishna Murthy, the Head, Technology Center, SRKREC, coordinated the program. At the end Sri S V Ranga Raju, Vice President, SRKREC, gave away the certificates to the participants.

Srujana Shibir

SRKREC organised a one-Day **Entrepreneurship Readiness Camp "Srujana Shibir"** on 26th Oct. 2022. Dr. N Gopalakrishna Murthy, the Head, Technology Center, coordinated the program. Dr. C Chandra Mouli, the Manager, Atal Incubation Centre, Sri Krishna Devaraya University, Anantapuram, the resource person of the camp, addressing the participants stated that the students of SRKREC would receive technical and financial assistance from the ATAL Incubation Centre of Sri Krishnadevaraya University at Anantapuram to conduct research. Atal Incubation Centers were set up all over the nation at a cost of Rs 7000 crores. Dr. C Chandra Mouli emphasised that in the past four years, the incubation centre at Anantapuram alone launched 28 firms, the majority of which were created by students. Prof. M Jagapathi Raju, the Principal, SRKREC, advised the students to take advantage of the service and create successful enterprises. Prof. PARK Raju, the Dean, R&D, Dr. K Brahma Raju, the Head, Dept. of ME, and other faculty took part in the program.

WEBINAR

The Dept. of CSE organised a one-day webinar on **AGILE Process** on 29th Oct. 2022. The resource person of the webinar was Dr. K Subrahmanyam, Professor, Dept. of CSE, KL University, Guntur. He enunciated the importance of Agile Process and the life cycle of Agile Development. He said that there were some principles one must follow to acquire knowledge in Agile. Prof. Subrahmanyam also discussed the differences between conventional software developmental model and Agile developmental model. Dr. V Chandra Sekhar, Professor & Head, Dept. of CSE, SRKREC, was the convenor of the webinar. Mrs. M Jeevana Sujitha, Mrs. V Anjani Kranthi and Mrs. P Saroja, Asst. Professors, Dept. of CSE, SRKREC, coordinated the webinar.

GUEST LECTURE

The Dept. of Chemistry organized a Guest Lecture on **Growth Mindset for Harvesting Demographic Dividend of Indian Youth** on 12th Oct. 2022. Addressing the students, the resource person Dr. Subbaraju Kalidindi, Retd. Prof. of Chemistry, SRKREC, reflected on the significance of Maslov's Hierarchy and Blooms Taxonomy in teaching-learning process. He also spoke on how students can learn the subject easily by reading parables or stories from epics and history. All the students of first year B.Tech attended the program and got benefitted. Prof. M Jagapathi Raju, the Principal, Dr. P Bhavani, the Head, Dept. of Chemistry, and other faculty from various departments participated in the program.

Workshop

The Dept. of CSE organised a Two-Day workshop on **Orientation on Academic Project & Research Paper Writing** from 14th to 15th Oct. 2022. Dr. N Kameswara Rao, Dr. Ch Someswara Rao, Dr. G N V G Sirisha, Associate Professors from the Dept. of CSE, took the sessions as the resource persons of the workshop. Sri S V Ranga Raju, Vice President, Prof. M Jagapathi Raju, the Principal, and Prof. V Chandra Sekhar, the Head, Dept. of CSE, SRKREC, inaugurated the workshop. Around 250 students actively participated and got benefitted.

MoU

The Common Service Center (CSC) of the Union Ministry of Electronics and Information Technology offered to equip the students of various technical institutions with English language competence and soft skills. Utilizing this opportunity SRKREC in order to enhance the competence of the students made an MoU with the Common Service Center. Mr. Gautam Das, the representative of CSC, and Sri S R K Nishant Varma, the Secretary cum Correspondent, SRKREC, signed the MoU and exchanged the documents in the presence of Prof. M Jagapathi Raju, the Principal, Prof. Bh V N Lakshmi, the Head, Dept. of English & Foreign Languages, and Mr. Riaz Mohammad, Asst. Professor of English. As a part of this MoU, Spoken English and Personality Development Course is offered to the II year B.Tech students for 6 months. After the completion of the course the students will receive a certificate from British Council which will enhance their career opportunities besides adding a great value to their profile.

Knowledge Sharing

RENOWNED VISITORS

SRKREC organized an interactive session on **You Have The Potential To Become Whatever You Want To Be** with Prof. V S Raju, Former Director IIT Delhi & Professor and Dean, IIT Madras, on 21st Oct. 2022. In this session, Dr. V S Raju said that faculty at technical institutions should foster positive relationships with the students and help them grow. He shared his life experiences and cleared the doubts raised by the faculty. He visited the IDEA Lab and interacted with students as well. Sri S V Ranga Raju, Vice-President, and Prof. M Jagapathi Raju, the Principal, SRKREC, felicitated Prof. V S Raju in the presence of the Deans, the HoDs and the faculty.

The Dept. of Civil Engineering arranged an Expert Talk on **“Challenges in Construction of Dams and Barrage Structures”** on 28th Oct. 2022 in the Civil Seminar Hall. Sri V Ramaraj, Water Resource Expert and Former Engineer-in-Chief, United Andhra Pradesh Engineering Department, interacted with the students and gave resourceful information about the challenges that the CIVIL Engineers face in their profession. Also, he gave a brief account of the solutions through which they can gain invaluable experience. Prof. M Jagapathi Raju, the Principal, and Prof. PARK Raju, the Dean, R&D, SRKREC, commended the noteworthy services of Dr. P Rama Raju in Polavaram Project and felicitated him. They said that he stood as a role model to many young engineers. Dr. Prasad, the Head, Dept. of CE, Prof. Phani Kumar, and other faculty in the Department, participated in the program.

Speaking at SRKREC in a **motivational interaction session**, Prof. KVNG Murali Krishna, the Director of Academic and Planning, JNTUK, Kakinada, addressed all the first year B.Tech students. With many thought provoking anecdotes and examples he emphasized on how to face challenges. Inspired with his words many students actively interacted and won appreciations from him. He advised the student to keep a level head while studying and cultivate positive attitude. Sri S V Ranga Raju, Vice President, SRKREC, and Prof. M Jagapathi Raju, the Principal, SRKREC, felicitated Prof. Murali Krishna in the presence of the Deans, the HoDs and the faculty.

INTERNATIONAL WORKSHOP

IIT (BHU) Varanasi is one of the consortium partners in **SPRING project**. They organized a two-day international workshop on **Varanasi as a Water Smart City** at IIT (BHU) Varanasi on 25th and 26th of Nov. 2022. Dr. PARK Raju, Professor of Civil Engineering and Dean R&D, and Mr. N Siva Kishan, Research Scientist, WET Centre, SRKREC, attended the workshop. The workshop was inaugurated by the Dean R&D of IIT BHU and presided over by the Head of the Dept. of Civil Engineering. The Chief Guest was the Deputy Commissioner of the Varanasi City. Other guest speakers included representatives from the UP Govt. (Water Supply) and National Mission on Clean Ganga initiative of Government of India. Entrepreneur Sri Swambhu (Vaidic Srijan) also shared the case studies of ponds restored by them using herbs. Research Scholars and Faculty at the Dept. of Civil Engineering of IIT BHU, also shared their work on Ganga River. In the second half, the SPRING project partners presented their report on the technical progress made by the respective participating institutions. Prof. PARK Raju shared the updates from SRKREC, regarding the work carried out in the Godavari Delta region.

International Stakeholders' Workshop

SRKREC, Bhimavaram is one of the consortium partners in **SPRING project**. Dr. PARK Raju, Professor of Civil Engineering and Dean R&D along with the SPRING Project team of SRKREC organized a one-day international stakeholders' workshop on **Water Quality aspects of Godavari Western Delta** at SRKREC, Bhimavaram on 23rd Nov. 2022. The workshop was inaugurated by Sri S V Ranga Raju, Vice President, SRKREC and presided over by Prof. M Jagapathi Raju, the Principal, SRKREC. Dr. PARK Raju along with the SPRING partners - Prof. Sanjunktha Patra, Technology Coordinator, IIT Kharagpur, Prof. Rajnish Kaur Calay, EU Coordinator of SPRING Project, Dr. Gregory Schneider, University of Pecs, Hungary, Dr. NgaPhong Dang scientist of SINTEF, Dr. Thamas of Enviroinvest Corp., Dr. Andre Pinto, Dr. Antti Herlevi, Prof. P K Singh of IIT BHU, Dr. Renu Sarath of ELIXIR, Dr. Ramakrishna Sen of IIT Gawhati - gave presentations (online and offline) explaining the stakeholders about their individual activities and efforts towards addressing water related issues in the study area. Prof. Raju shared the updates from SRKREC, on the work carried out in the Godavari Delta region. The international Partners also visited the WET Research Center, AICTE IDEA Lab at SRKREC and appreciated the efforts of the Management, the faculty and the students. The partners also visited various aquafields, canal and drain hotspots in the region to ascertain the pollution levels in water bodies for prototype trail run in the canals of Godavari Western Delta.

High Spirits

Social and cultural activities are crucial for fostering students' personal development and preparing them for real-world situations. Such activities aid students in developing a sense of self inside the institution as well as helping them advance in a chosen field and enhance soft skills like leadership, presentation, and interpersonal communication. Since social and cultural activities are of utmost importance, SRKR Engineering College supports all extracurricular pursuits that are consistent with the institution's educational goals and cater to the interests of the students.

Yuvajanotsavalu

Cultural events rejuvenate the young. SRKREC campus came alive on 18th Nov. 2022 with the scintillating performances of classical and folk dances, music and also extempore, essay writing, and drawing competitions on the occasion of **Yuvajanotsavalu**. As a part of district level youth festival organized by SETWELL, students from various degree and engineering colleges actively participated in different cultural and literary events. SRKREC hosted the festival with flair and passion. The winners of various events are awarded with mementos and certificates. Sri S V Ranga Raju, Vice President, SRKREC, and Prof. M Jagapathi Raju, the Principal, congratulated all the participants and gave away the prizes and certificates to the winners.

ANUSANDHAN

Young minds need platforms to showcase their innovative thinking. Taking this into consideration, the Dept. of Chemistry organized Anusandhan - an exhibition on science and technology for first and second year B.Tech students on the campus. Prof. M. Jagapathi Raju, the Principal, addressing the students stated that exhibitions reflect the creativity of young minds and encourage them to carry out innovations in emerging fields like AI, ML, etc. Around 100 projects are exhibited and stood as a veritable feast to the eyes. He congratulated and presented mementos to the students who exhibited their innovative models. Participating in these exhibitions help students excel in their final year projects and inventions. Dr. P. Bhavani, the Head, Dept. of Chemistry, Dr. Ramanamurthy, the Head, Dept. of Physics, and other faculty extended their support.

ALLURI Film Promotion

The film unit of the movie ALLURI visited the campus on 5th Sept. 2022 as a part of the promotion. Mr. Sri Vishnu, the hero, speaking on this occasion expressed that it is a great privilege to shoot the film at Mogallu, the birth place of the legendary Alluri Sita Rama Raju. He interacted with the students and shared his experience of working in the movie. Mr. Pradeep Varma, the Director of the film, and a few other team members, spoke about the theme and significance of the movie. The students with high spirits expressed their support to the entire film unit. Sri S V Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, SRKREC, felicitated Sri Vishnu, the hero, in the presence of the Deans, the HoDs and the faculty.

Adulation

Gratitude is the highest human value. The non-teaching fraternity of SRKREC expressed their gratitude for the kind of welfare measures adopted by the Management and felicitated Sri Sagi Prasad Raju, the President of the institution. On this occasion, Sri Prasad Raju commended the services extended by the teaching and non-teaching staff. He also expressed his joy over the number of placements achieved by the college this year and said that this will boost the morale of the institute. Reiterating his father's words, Sri S R K Nishanth Varma, the Secretary and Correspondent, SRKREC, assured that the Management always prioritizes the wellbeing of the teaching and the non-teaching employees of the college. Prof. M Jagapathi Raju, the Principal, Bh. Ravi Kumar(president), and V. Suryanarayana Raju (secretary) of Non-teaching Staff Union, spoke on this occasion. Sri S. V. Rangaraju, P. Krishnam Raju, Vice Presidents, and Sri G Rama Raju, Member, the Governing Body, participated in the felicitation ceremony.

Appreciation

The media is now the fourth pillar of society and influence people to opinion significantly. Enhancing the name of the institution, Mr. Ch Bangara Rao, the PRO, SRKREC, always puts in the best efforts in terms of reporting all the progressive endeavours of the institution. Appreciating his efforts at the time of NAAC Peer Team visit, Sri SRK Nishant Varma, the Secretary cum Correspondent, felicitated Mr. Bangar Rao in the presence of the Press. Mr. Bangar Rao expressed his utmost gratitude towards the Management and the institution.

Raising Curtains

Viswakavi Multilingual Communication Skills Lab

Spreading the wings of the Center for Foreign Languages on the campus and equip the students with the foreign tongues of their choice to compete on a global platform, the Dept. Of English & Foreign Languages with the encouragement and support of the Management, and the Principal has set up the **Viswakavi Multilingual Communication Skills Lab**. Sri Sagi Prasad Raju, the President, SRKREC, inaugurated the Lab in the presence of Sri SRK Nishant Varma, the Secretary & Correspondent, Sri S S Prateek Varma, Member, the Governing Body, Prof. M Jagapathi Raju, the Principal, Prof. Bh V N Lakshmi, the Head, Dept. Of English & Foreign Languages, and the Heads of other departments. Speaking on this occasion Sri SRK Nishant Varma said that learning different languages broadens the understanding of one's self and the scope of employability. At present the Dept. of English & Foreign Languages is facilitating the interested students with German, Spanish, French and Japanese language.

Stimulations

1st B.Tech Orientation

SRKREC organized an Orientation program on 2nd Nov. 2022 and welcomed the 1st B.Tech students with great delight and enthusiasm. Sri D Chakrapani, Retired IAS Officer, graced the occasion as the Chief Guest. Addressing the students and their parents he reflected on the prospects of engineering graduation and suggested them to aspire for any profession of their choice including civil services. However, reading habits play a key role to reach one's goal. He assured to guide them in this regard whenever time permits and wished them the best. Sri A V Subba Raju, Additional SP, W.G.Dist. Bhimavaram, graced the event as the Guest of Honour and gave resourceful information on ragging, antisocial behaviour, etc. and the dire consequences of it. He suggested the students to work hard towards their goal and make the institution and the parents feel proud with their success. Prof. M Jagapathi Raju, the Principal, presented the details of the progressive journey of the institution. Sri S V Ranga Raju, Vice President, SRKREC, thanked the parents for trusting them and assured a brilliant academic environment and a bright future to their wards. Some of the senior students and the parents shared their heartfelt feelings. The program came to an end with the felicitation of the Guests amidst great applause.

Interactions

The fully established AICTE IDEA Lab has become the cynosure of the institution. It is a hub to all the thinkers and innovative minds. Subsequently it started incubating new ideas and projects. It even culminated in students winning Smart India Hackathons. It boosted their morale and with vigour and vitality they initiated a few steps towards finding solutions to the problems of the surrounding community. Furthering the efforts in this direction, SRKREC welcomed the scientists from Fisheries research center, Krishi Vignan Kendra as well as scientists and experts from various Aqua Labs and industries and arranged an interactive session with the students in the IDEA Lab. Students displayed their projects and explained the Apps and prototypes that they developed relating to monitoring water quality, temperature TDS through sensors. Appreciating the collective endeavors of the institution, the experts advised them to work more on aqua related projects and gave their invaluable suggestions for further development. Dr. Neeraja, the Head, Fisheries Research Center, Undi, Dr. N Mallikarjun Rao, the Head, Krishi Vignan Kendra, Sri Srinivas Rao, the MD, Micro Lab, Dr. Rajkumar Singh, the President, CPFYS, Sri SRK Nishant Varma, the Secretary cum Correspondent, Sri S V Ranga Raju, Vice President, Prof. M. Jagapati Raju, the Principal, Dr. N Gopalakrishna Murthy, the Head, Technology Center, Dr. PARK Raju, the Dean, R&D, Prof. K Brahma Raju, the Head, Dept. of ME, and others actively participated in the interactions.

College & CommunityConnect

"The purpose of life is not to be happy. It is to be useful, to be honourable, to be compassionate, to have it make some difference that you have lived and lived well." These words, by Ralph Waldo Emerson, aptly describe what it means to be a human being. An educational institution's role is not only to educate its wards but also to impart pertinent moral values to them in order for them to function as responsible citizens. SRKREC always strives towards college and community connect and encourage the students to participate in extension activities and outreach programs which help the needy and also contribute positively towards social betterment.

Awareness on NEP-2020

The NSS Unit of SRKR Engg College organized an awareness program on **National Education Policy-2020** and conducted various competitions at Jhansi Lakshmi Bai Municipal Girls High School, Bhimavaram, on 6th Nov. 2022 and certificates are distributed to the meritorious students.

Clean Challenge Program

SRKR NSS Unit, in association with the UBA Cell organized **Clean Challenge Program** in Peda Amiram village on 18th Oct. 2022. Dr. G Ganesh, the Coordinator of UBA Cell, SRKREC, along with the student volunteers of NSS Unit collected the plastic and other waste and disposed them off in the dumping yard of Bhimavaram town. This program promoted the Clean Challenge Initiative of the Govt. of India. Mr. J Kishore, Vice Sarpanch, Mr. P Kanaka Rao, Panchayat Secretary, Peda Amiram Village, Dr. R Krishna Chaitanya, In-charge, SRKR NSS Unit, and the coordinators, Mr. Madhava Rao and Mr. Santhosh also took part in the program.

BLOOD DONATION CAMP

Many clinics and hospitals constantly require blood for several purposes. This makes the idea of blood donation a noble gesture as it provides life-saving help to people and patients. Promoting this noble cause SRKR NSS Unit organised **Blood Donation Camp** on 1st Oct. 2022 on the campus. Many students and faculty voluntarily donated blood. Speaking on the occasion Sri SV Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal appreciated the NSS Unit for their relentless services and said that the students of SRKREC always add pride to the institution in many aspects.

NSS Rally

SRKR NSS Unit and the Dept. of Physical Education in collaboration with District Sports Council organized a **Rally** on 31st Oct. 2022 on the **National Unity Day** from the college to Gandhi Chowk, Bhimavaram, commemorating the birth anniversary of Sardar Vallabhai Patel, The Iron Man of India. On this occasion, Prof. M Jagapathi Raju, the Principal, addressed the students and suggested them to work with commitment for the unity of nation. He added that youth must take Sardar Vallabhai Patel as role model. Prof. K Brahma Raju, the Head, Dept. of ME, Dr. Krishna Chaitanya, the Coordinator, SRKR NSS Unit, Sri P Satyanarayan, District Central Manager, Sri P Pattabhi Ram, District Tourism Manager, Sri. P Surendra Babu, District Chief Coach, Dr. P Satyanarayana Raju, the Physical Director, SRKREC, Dr. V Chandra Sekhar, and Dr. Ch Hari Mohan, Asst. Physical Director, SRKREC, took part in the rally.

College & Community Connect

GREEN CAMPUS

In order to prevent air pollution, Prof. M Jagapathiraju, the Principal, SRKREC, recommended the students and the faculty to use bicycles and electric vehicles. The college NSS Unit took a special responsibility in taking forward the initiative of **Green campus**. The NSS volunteers actively promoted the concept of vehicle-free campus on every Saturday. The staff and the students supported the idea of Green campus proposed by Prof. M Jagapathi Raju, the Principal, and accordingly maintaining the Green campus every Saturday. The NSS Unit is trying in different ways to take this initiative even to the public promoting the use bicycles and electrical carriers at least one or two days every week in order to protect environment.

NATIONAL LEGAL SERVICES DAY

SRKREC hosted the celebrations of **National Legal Services Day** organized by the Mandal Legal Services Committee on 9th Nov. 2022. Addressing the students, Smt. P Sri Satya Devi, Third Additional District Judge, urged them to be conscientious in all their endeavours and to grow as productive members of society. Expressing concern towards the raise in white-collar crimes, she cautioned them not to get attracted towards vices and to avoid antisocial thoughts or behaviour. She also advised them to put their studies first and work to become excellent engineers and entrepreneurs to serve the nation. She conveyed that in order to help the youngsters the DLSA will host legal camps at the mandal level and educate them about the law and the legal rights. Sri SV Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, SRKREC, Sri B Appalaswamy, Senior Civil Judge, Sri Y Newton, the President, Bhimavaram Bar Association, Mr. D Raju, RDO, Dr. Krishna Chaitanya, the Coordinator, SRKR NSS Unit, Prof. V Chandrasekhar, the Head, Dept. of CSE, and others attended the program.

EXHIBITION

An exhibition on the subject of progress of women in post-independence is conducted by the NSS Unit as a part of the Azadi ka Amrita Mahotsava. Speaking on this occasion Sri S V Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, lauded women for their contribution in nation building. From the former Prime Minister, Indira Gandhi to the current Finance Minister, Nirmala Sitharaman, many women proved the best in leading the nation. Similarly, athletes like Mitheli Raj, Sania Mirza, and PV Sindhu are flying the Indian tricolour across the globe. Hundreds of women are outshining in the sectors of research, education, and pharmacy, offering tremendous contributions to the nation.

CONSTITUTION DAY

SRKR NSS Unit celebrated **Constitution Day** on 26th Nov. 2022. Sri Satyanarayana, Retd. Lecturer of Political Science, is the Chief Guest of the program. Reflecting on the Indian Constitution, he stated that despite being the best constitution in the world, it should be evaluated by specialists every ten years. Speaking on the occasion Prof. M Jagapathi Raju, the Principal said that the Constitution is a Bhagavad Gita to the Indians. It has provisions for a number of things, including including the right to an education, housing, and a way of life. For this reason, the government has supplied free medical treatment and the corona vaccination to everyone at a cost of hundreds of crores of rupees. He declared that every Indian should feel proud of the Indian Constitution. Dr. S Lavakuma, Professor, Dept. of CE, Dr. R Krishna Chaitanya, the Coordinator, NSS Unit, other members, and student volunteers participated in the program.

College & Community CONNECT

AWARENESS PROGRAM ON MILLETS

The UN declared the year 2023 as International Millets Year, and even AICTE initiated millets awareness program. In support of this initiation SRKREC in association with the Heart Trust, Hyderabad, organized an awareness program on **Millets, Nutrition, and Health** on 20th Nov. 2022. A week before the program Prof. M Jagapati Raju, the Principal, Prof. Bh V N Lakshmi, the Head, Dept. of English & Foreign Languages, and Dr. P B Pratap Kumar, the Founder of Food Safety Movement, Aakividu, released the program poster. Dr. Khader Vali, the recipient of International Food Experts Krishi Ratna Award, graced the program as the Chief Guest and spoke extensively on the nutritive values of various millets. Sri Millets Rambabu, Food Scientist, Dr. P B Pratap Kumar, the Founder of Food Safety Movement, Patanjali Yoda Kendra, Aakividu, and Sri M S Subramanyam Raju, Heart Trust, Hyderabad, are the Guests of Honour of the program. They shared invaluable information on Millets, dietary habits and organic farming as well. Sri S V Ranga Raju, Vice President, and Prof. M Jagapathi Raju, the Principal, SRKREC, felicitated Dr. Khader Vali. Faculty, students, and outside public attended the program and got benefitted.

AWARENESS ON TRAFFIC RULES

Adhering to traffic laws can prevent accidents. Keeping this in view SRKR NSS Unit in association with the Bhimavaram Traffic Police Department organized an **Awareness program on Traffic Rules** on 4th Dec. 2022. Sri Srinadh, DSP, Sri G Das, CI, and other Traffic personnel attended the program. Addressing the gathering Sri Srinadh, DSP, announced that the traffic department took the initiative of providing LLRs to people who do not have a license in order to avoid traffic accidents in the district. He gave away the LLRs to some of the students. Dr. R Krishna Chaitanya, the Coordinator, NSS Unit, and other members actively participated in the program.

SAVE SOIL RALLY

Save Soil is a Global Movement to invoke a conscious approach to soil and planet in all. On 5th Dec. 2022 celebrating the **World Soil Day**, SRKREC in association with Bhimavaram Hospitals made a 5 kilometer rally as a part of Isha Outreach. Speaking on this occasion Dr. G Gopal Raju, the MD, Bhimavaram Hospitals, said that the soil is losing nutrients due to incredible increase of pollution. And saving soil is the need of the hour. He stated that everyone has a duty to safeguard the environment, and the rally is organised to raise awareness. Dr. Vijaya, Gynecologist, Bhimavaram Hospitals, speaking on behalf of Sadguru's Isha Foundation, stated that the soil has already lost 5% of its nutrients. She advised the students to work hard to preserve the environment. Prof. M Jagapati Raju, the Principal, SRKREC, mentioned that the institution restricted the entry of the entrance of automobiles into the campus every Saturday, as a small step towards making it a green campus.

Sports & Games

Sport teaches students the important lesson of team-spirit and it gives them the experience of working with different kinds of people in different situations. Sports and games can be a great lesson in time management and they provide the spirit of competition that drives them to give extra effort. Sport increases self-esteem, mental alertness and it reduces stress and anxiety. The Dept. of Physical Education at SRKREC is relentless in its efforts of making the students excel in sports & games as well.

Badminton Tournaments for Under 13

Sagi Rama Krishnam Raju Memorial Badminton Tournaments for under 13 is scheduled from 22nd to 25th Sept. 2022 in the Indoor stadium on the campus. Announcing this Sri S V Ranga Raju, Vice President, SRKREC, Prof. M Jagapati Raju, the Principal, and Dr. P Satyanarayana Raju, PD, released the poster of the tournament. The campus got ready and welcomed the players across the state. Inaugurating the qualifying matches on 22nd Sept. Prof. M Jagapati Raju, the Principal, wished the very best to all the players. On 23rd morning the Tournament opened on a grand scale. Sri U Ravi Prakash, IPS, Superintendent of Police, Bhimavaram, the Chief Guest of the event along with Sri S V Ranga Raju, Vice President, SRKREC, played the first game as a mark of opening. Sri M Dwarakanth, the President, AP Badminton Association and Sri Amkamma Chowdary, Joint Secetar, BAI and General Secretary, APBA, graced the event as Guests of Honour and congratulated the participants for their zeal and spirit. Sri SRK Nishant Varma, the Secretary cum Correspondent, Sri A V Subba Raju, Additional SP, Bhimavaram, Prof. M Jagapati Raju, the Principal, Dr. P Satyanarayana Raju, PD, and others from the Dept. of Physical Education participated in the event and wished the players the very best. On the last day the winners of the matches - Boys Singles and Doubles as well as Girls Singles and Doubles - received mementos and certificates amidst great applause.

South Zone Chess Competition

Prof. M Jagapathi Raju, the Principal, SRKREC, on 5th Dec. 2022, announced that two girl students from the college got selected to represent JNTUK for the **South Zone Chess Competition** to be held in Bangalore from 15th of Dec. 2022. He said that the students of SRKREC with great commitment and hard work are excelling not just in academics but also in various Sports & Games and adding pride to the institution. Sri S V Ranga Raju, Vice President, Prof. M Jagapati Raju, the Principal, Dr. P Satyanarayana Raju, PD, SRKREC, Dr. Ch Hari Mohan, and Ms. G Sarika, Asst. PDs, SRKREC, congratulated **Ms. Y Yamuna Kumari**, 2/4 CSC, and **Ms. K Kamala**, 4/4 IT, who got shortlisted for the South Zone competitions in the selections held at Gayatri Vidya Parishad, Visakhapatnam. They wished the students the very best for the finals.

South Zone Interuniversity Basketball Competition

Encouraging students to participate more and more in various sports & games SRKREC equipped the campus with all the required facilities. The students are utilizing the facilities to the optimum and bringing many laurels to the institution. Adding one more credit in this direction srkrec Girls Basketball Team got selected to represent JNTUK at National level in the South Zone Interuniversity Basketball Competitions that are going to take place from 4th to 8th Jan. 2023 at Madras University, Chennai. Prof. M Jagapati Raju, the Principal, Dr. Venkatapathi Raju, the Head, Dept. of EM&H, Dr. Hari Mohan, and Ms. G Sarika, Asst. PDs congratulated the team and wished them the very best for the finals.

Festive Moods

Karthika Masam celebrations

On the occasion of celebrating Karthika Somvaram, SRKREC performed a Jyotirlingarchana in the temple premises on 13th Nov. 2022. Sri Kameswara Sharma, the Chief Priest of the college temple, took care of the entire pooja process. In the evening under his guidance the Management, the Principal, interested staff and students performed special pooja on the campus. Everyone lit the lamps and the whole premises illuminated with lights and happiness. Sri SRK Nishant Varma, the Secretary cum Correspondent, Sri S V Ranga Raju, Vice President, Prof. M Jagapati Raju, the Principal, the HoDs, the Deans, and others participated in the program.

Srilakshmi Ganapati Homam

On 10th Nov. 2022 Srilakshmi Ganapati Homam and Saraswati pooja are performed grandly at the Yagasala on the campus for the collective goodness of the students and society. Sri S S Prateek Varma, the Member, Governing Body, SRKREC, performed the homam in the presence of other Management members and the academic leaders of the institution and offered oblation such as ghee, sticks and other holy things to the fire. Speaking on this occasion, Prof. M Jagapati Raju, the Principal, said that the homam is performed on the occasion of the completion of two years of the establishment of Yagasala on the campus. Under the aegis of Sri Kameswara Sharma, the Chief Priest of the college temple, Sri S S Prateek Varma with great reverence worshipped the cow as it symbolizes prosperity, peace and happiness.

Christmas celebrations

In the month of December, the students of SRKREC celebrated Christmas by cutting the Christmas cake on the campus in the presence of the Management, the Principal, the HoDs, the Deans, the faculty and the non-teaching staff. Holding the candles as a symbol of happiness and harmony they sang Christmas Carols and wished everyone Merry Christmas. They entertained the audience with various performances depicting the essence of Christmas. Every one enjoyed the special performances of the students and shared the wishes.

Festive Moods

Festivals bring happiness and joy seasonally. Welcoming the blessedness of festive moods the staff and students celebrate all the festivals on the campus. SRKREC always believes in celebrating the uniqueness of Indian ethos and always encourages the faculty and the students to do the same.

Ganesh Nimarjana

In the first week of September SRKR Engineering College amidst joy and devotion performed the Ganesh Nimarjana. The staff and the students made a procession across the campus carrying the Ganesh Idol alongside the fireworks and drum beats. The students' danced adding grandeur to the event. The Dept. of Mechanical Engineering won the nine-day-old laddu in the auction held on the campus. Sri SV Ranga Raju, Vice President, handed over the laddu to Prof. K. Brahmaraaju, the Head, Dept. of ME. Prof. M Jagapathi Raju, the Principal, the Deans, the HoDs, the Staff and the students participated in the event.

Dussehra celebrations

SRKREC celebrated Dussehra/Vijayadasami festival for 9 days on the campus. On 28th Sept. 2022, the first day, the Management Office and the Principal Office started Devi Navarathulu celebrations by performing pooja in the presence of the Staff and the students. Later every day one or two departments together offered pooja as the Goddess is artistically decorated specially as per Her Avatar and prasadam is distributed to all. With utmost devotion all the 9 days are celebrated praying Goddess Durga to bless the world with peace and happiness. With the temple bells chiming, the college premises overflowed all the festive days with exuberant students and staff dressed in traditional festive fineries, and mellifluous voices singing devotional songs. And on the last day Amavari Namajjana Mahotsavam is celebrated with great reverence.

The Tale of the Mockingbird

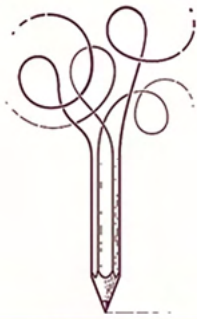

Hari Nair, Asst. Prof. of English

Watching through the glass pane
Colours change the light
Racing towards uncertainty
We exist
A shadow is the only salvation
A mirror the only truth
Living on borrowed time
We exist to breath again
A wretched wrap of consciousness
An uncertainty of life
Our lives erode as the sands of time
Are strewn on the shores
Memories of the past
Are the only anchor we need
Subdued we race towards uncertainty
Our eyes take in the colours
Of that which we know not
Just for a whisper of belonging
Do we wade through the river of life
Alas our hopes are the reason
For our sorrows, we drown
Aye drown
Either in dreams or in the morrow
Wretched our existence be
Lonely does our eyes see
The tale of the mockingbird
Lonely as it can be.

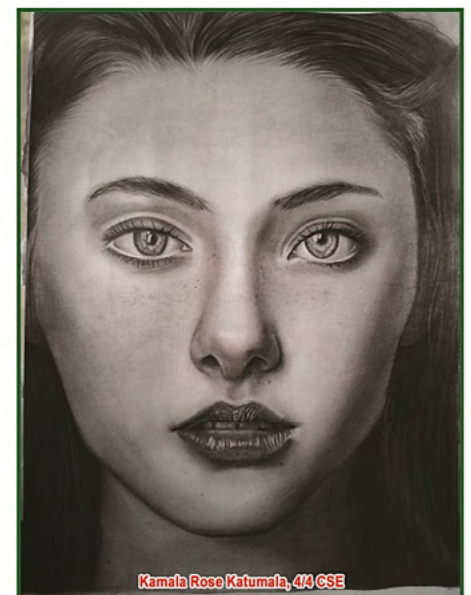

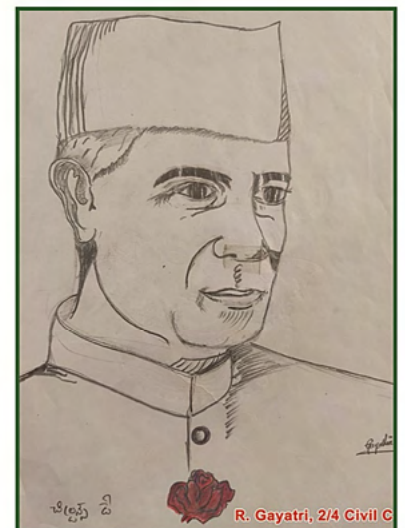

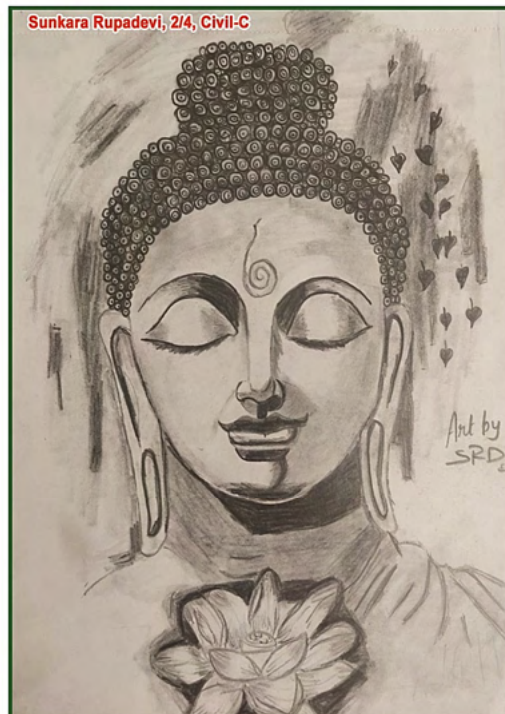

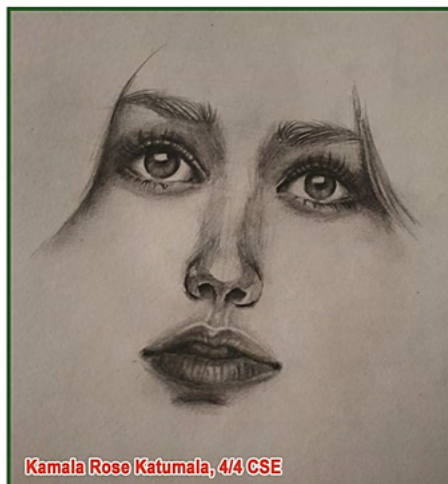

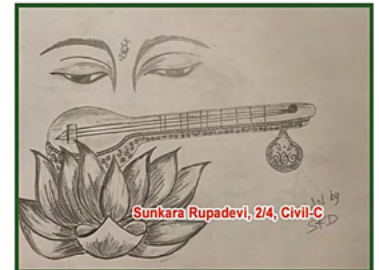

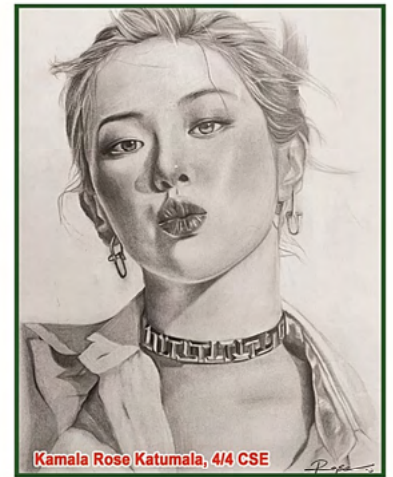

Jai Jawan

Prof. Bh V N Lashmi

Oh Soldier!
Why are you so sad?
Even at home
For you
War echoes,
Memories haunt.
Gun shots,
Bloodied bodies,
Blasted limbs,
Nothing stops you
Fighting against
the enemy.
You never cared
even to come back
As shell shocked,
crippled or dead,
if mission accomplished.
Oh Soldier!
Distanced from home
Armed to guard
you are
fearless and tireless.
Your actions are enormous
Your awards are posthumous.
Accompanied by death,
Lived only to serve,
You are
Nation's pride
Family's honour
a child's brave Dream
Jai jawan.
