

SRKR ENGINEERING COLLEGE

AUTONOMOUS · Estd. 1980

Department of MECHANICAL ENGINEERING

Welcome to SRKR

Established in 1980, the Department of Mechanical Engineering at SRKR Engineering College has grown from an initial intake of 60 to 648 students today. The department offers B.Tech in Mechanical Engineering and M.Tech in CAD/CAM, producing innovative, entrepreneurial engineers equipped to solve real-world problems through strong fundamentals, research and industry exposure.

📍 Bhimavaram, Andhra Pradesh

MECHANICAL ENGINEERING PROGRAM

Vision

To be recognized globally for quality education, training and research leading to well-qualified engineers who are innovative, entrepreneurial and successful in solving problems of society.

Mission

- Impart quality education to enhance students' skills and make them globally competitive.
- Maintain vital, state-of-the-art research providing students and faculty opportunities to create, interpret, apply and disseminate knowledge.
- Prepare graduates to pursue higher studies, serve the profession, and meet intellectual, ethical and career challenges.

Department Programs

B.TECH

Mechanical Engineering · Intake 120

M.TECH

CAD / CAM · Intake 6

The B.Tech Mechanical Engineering program has been continuously accredited by the National Board of Accreditation (NBA)

648 Students **40** Faculty **13** Laboratories

2002 – NBA 5 Years

2007 – NBA 3 Years

2013 – NBA 2 Years

2020 – NBA 3 Years

2023 – NBA 3 Years

Milestones of the Department

1980	Department established with an intake of 60 students	2016	Autonomous status under Andhra University (AU-A)
2002	Intake increased to 120 students; first NBA accreditation (5 years)	2017	JNTUK Autonomous (JNTUK-A) and JNTUK Research Centre status
2003	PG program (M.Tech) launched with an intake of 18 students	2019	JNTUK Research Centre continued
2007	NBA re-accreditation for 3 years	2020	Intake at 240 students; NBA re-accreditation for 3 years
2012	Intake increased to 180 students	2021	JNTUK Research Centre continued
2013	NBA re-accreditation for 2 years	2022	Intake stabilised at 180 students
2014	Intake increased to 240 students; AU Research Centre with 23 scholars	2023	JNTUK Research Centre continued; NBA re-accreditation for 3 years
2015	Intake increased to 300 students	2025	JNTUK Research Centre status continued

Faculty Excellence & Research

The Department of Mechanical Engineering has a total of 40 qualified faculty members — 9 Professors, 1 Associate Professors and 30 Assistant Professors — including 25 Ph.D. holders, with 17 additional faculty members currently registered for a Ph.D., ensuring a strong academic and research foundation. The average faculty retention rate stands at about 88%. On the research front, the department has an impressive record with a total citation count of 2082 and an h-index of 23 (as per IRINS), publishing in journals with impact factors ranging from 0.55 to 13.1. The department has also secured 23 patents, mobilized project grants worth over Rs. 1.12 crore during the last five years, and its faculty have guided 24 Ph.D. scholars to completion, with 11 more currently pursuing their doctoral research under departmental guidance.

Faculty Contributions to Society

- **Dr. K. Brahma Raju** is presently serving as National Secretary of the Indian Institution of Production Engineers (IIPE).
- Dr. V.K. Viswanadha Raju** is presently serving as a Member of the Andhra Pradesh Pollution Control Board, Regional Office, Eluru.
- Dr. S. Rajesh** is presently serving as Chairman of the Institution of Engineers (India), Bhimavaram Local Centre.

Student Achievements

Students of the department are actively engaged in national-level automotive and engineering design competitions, gaining hands-on exposure that complements their classroom learning. Our teams have been recognised with the Overall Champions title at FOMBI 2025 (Quad TORC), the Dronacharya Award at AGKC 2025, Sledge Pull honours at BAJA 2026, the Best Driver Award, and the Dronacharya Award at Aditya Pro Karting 2026, in addition to an Overall Runner-Up finish at FOMBI 2024. These achievements, together with active participation in state-level exhibitions such as SRUJANA, reflect the department's emphasis on practical implementation, teamwork and innovation.

Overall Champions – FOMBI 2025 (Quad TORC)

Sledge Pull Winners – Award in BAJA 2026

Dronacharya Award & Best Driver Award – AGKC 2025

Laboratories

Engineering Workshop

Manufacturing Technology Lab

Machine Tools Lab

Theory of Machines Lab

CAD / CAM Lab

13 laboratories and 3 project labs across the department, including Engineering Mechanics, Metrology, Fluid Mechanics, and Heat & Mass Transfer Labs.

Research Facilities

Centre for Metal Matrix Composites

Centre for Testing Bio-Diesels

Nanotechnology Research Centre

Industry Collaborations

The department has forged Memoranda of Understanding with a diverse set of industry and outreach partners, providing students with training, internships, real-time project exposure and industry-relevant skills. In addition, students benefit from stipendiary internship programs with organisations such as Kia Motors, Foxconn and NIT Warangal.

Drivedock Pvt. Ltd.

Bindhu Aerators

Microl

Byrraju Foundation

SD Motor Speeds

AP State Skill Development Corp.

Krishi Vigyan Kendra

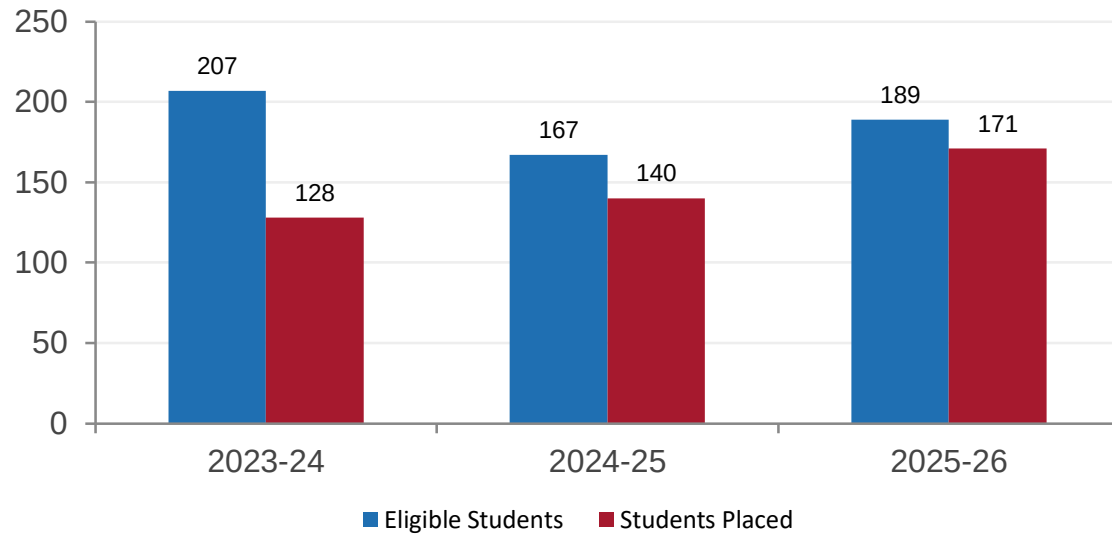

Elon Motors Engineering

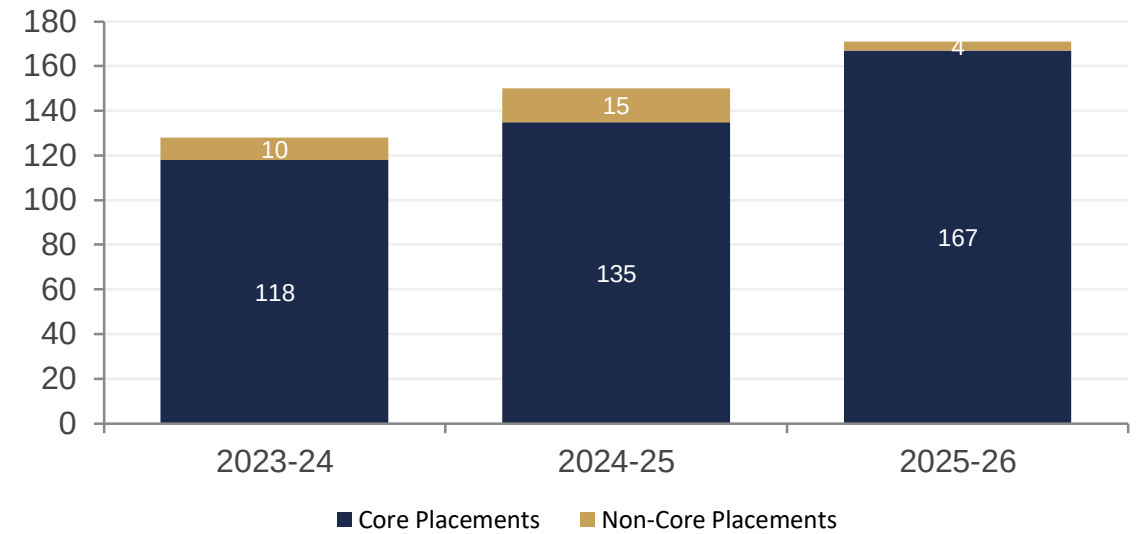

Placements

The department has maintained a steady placement record over the last three assessment years, with a strong emphasis on core mechanical engineering roles. Students have also gained valuable industry exposure through stipendiary internship programs with leading organisations such as Kia Motors, Foxconn, and NIT Warangal.

Summary of Placements

Core vs Non-Core Placements

Internship Partners (with Stipend)

Kia Motors — 23 (2nd Year) + 24 (3rd Year) students **Foxconn** — 23 (2nd Year) students **NIT Warangal** — 2 (3rd Year) students

From SRKREC to Global Success: Our Prominent Mechanical Engineering Alumni

Dr. G. Venkata Ratnam

Institute Chair Professor, IIT Madras

(1980-84)

Sri. D.C.S. Varma

Director of Factories, Govt. of AP

(1980-84)

Sri. Myneni Venu

CEO, Radiant Systems USA

(1980-84)

Sri. Sudhakar Kolli

Group COO, Uniparts India Ltd.

(1980-84)

Dr. C. Ranganayakulu

Scientist-H, DRDO Bangalore

(1981-85)

Sri. B. Surya Prakasa Rao

Dy. Chief Inspector of Boilers, VSKP

(1982-86)

Sri. N. Sridhar

MD, Kireeti Soft Technologies, Hyd.

(1983-87)

Dr. B.S.V. Prasad Patnaik

Professor, IIT Madras

(1987-91)

Sri. J.N.V. Sunil

Executive VC & Global Head of
Delivery, Aspire Systems

(1988-92)

Sri. R. Kondala Rao

Deputy Conservator, AP Forest Dept.

(1988-92)

Dr. Anand Thanikella

Vice President, Saint-Gobain
Abrasives

(1990-94)

Dr. C. Ramadas

Scientist, DRDO Pune

(1993-97)
