

SAGI RAMA KRISHNAM RAJU ENGINEERING COLLEGE (AUTONOMOUS)

(Approved by AICTE, New Delhi, Affiliated to JNTUK, Kakinada)

Accredited by NAAC with A+ Grade, Accredited by NBA (UG: Civil, CSE, ECE, EEE, IT & ME)

Recognised as Scientific and Industrial Research Organisation

SRKR Marg, CHINA AMIRAM, BHIMAVARAM-534204, W.G.Dt., A.P., India.

ACADEMIC POLICY

2026

1. Vision

Building upon four and half decades of academic excellence, we envision an agile, learner-centric, and globally connected academic ecosystem that empowers students through innovative curricula, experiential learning, cutting-edge research, interdisciplinary collaboration, and strong industry engagement. We are committed to developing ethical, entrepreneurial, and future-ready engineers capable of driving technological innovation and creating sustainable solutions for the betterment of society.

2. Objectives

- i. Deliver Academic Excellence through outcome-based, learner-centric, and quality-driven education.
- ii. Develop Future-Ready Graduates by integrating emerging technologies, multidisciplinary learning, and industry-relevant skills.
- iii. Foster Innovation and Research by promoting creativity, critical thinking, entrepreneurship, and impactful research.
- iv. Strengthen Industry and Global Engagement through collaborations, internships, certifications, and international partnerships.
- v. Promote Experiential Learning using projects, laboratories, hackathons, internships, and real-world problem solving.
- vi. Cultivate Ethical and Responsible Professionals with strong values, leadership qualities, and a commitment to sustainable development.
- vii. Enhance Faculty Excellence through continuous professional development, pedagogical innovation, and research opportunities.
- viii. Leverage Digital Technologies to create flexible, personalized, and technology-enabled learning environments.
- ix. Support Student Success through mentoring, career guidance, skill development, and holistic personality development.
- x. Promote Lifelong Learning by encouraging continuous upskilling, interdisciplinary education, and professional certifications.

3. Strategic priorities

- i. Modernize the curriculum to meet future industry and societal needs.
- ii. Strengthen outcome-based education and continuous quality improvement.
- iii. Promote innovative, experiential, and technology-enabled learning.
- iv. Deepen industry partnerships and global collaborations.
- v. Develop competent, motivated, and research-oriented faculty.
- vi. Improve student success through mentoring and holistic development.
- vii. Accelerate digital transformation in teaching, learning, and assessment.
- viii. Foster ethical leadership, sustainability, and social responsibility.
- ix. Build a culture of lifelong learning and continuous professional development.

4. Key functions

Function	Key responsibilities
Academic planning	Develop academic policies, academic calendar, curriculum framework, and strategic academic plans.
Curriculum design and development	Design, review, and revise curricula, regulations, syllabi, electives, minors, and multidisciplinary programs.
Teaching-learning process	Ensure effective delivery of courses through innovative pedagogies, ICT tools, and Outcome-Based Education (OBE).
Assessment and evaluation	Plan and monitor continuous assessment, examinations, grading, moderation, and result analysis.
Academic quality assurance	Conduct academic audits, monitor CO-PO attainment, implement corrective actions, and ensure continuous improvement.
Faculty development	Organize faculty induction programs, FDPs, pedagogical training, research support, and performance enhancement.
Student academic support	Coordinate mentoring, bridge courses, remedial coaching, academic counselling, and support for advanced learners.
Industry and global engagement	Promote internships, industry projects, certifications, Centers of Excellence, international collaborations, and student exchanges.
Academic governance and compliance	Coordinate Board of Studies, Academic Council, implementation of AICTE, UGC, JNTUK, NBA, and NAAC guidelines.
Digital learning and academic technology	Manage LMS, online learning resources, virtual labs, AI-enabled learning tools, and digital assessments.
Academic monitoring and analytics	Track attendance, student performance, progression, graduate outcomes, and academic KPIs using data analytics.
Student skill development	Integrate employability skills, soft skills, communication, entrepreneurship, and professional ethics into academics.
Examination coordination	Oversee academic regulations related to examinations, credits, promotion, graduation, and academic records.
Continuous improvement	Analyze stakeholder feedback, benchmark best practices, and implement quality enhancement initiatives.

5. Committees

Committee	Primary Function
Academic Council	Apex academic body responsible for academic policies, regulations, curriculum approval, and academic governance.
Board of Studies (BoS)	Designs and revises curriculum, syllabi, course structure, and assessment methods for each department.
Academic Audit Committee	Conducts periodic academic audits and recommends quality improvements.

6. Composition and functions of committees:

a) Academic council:

1. The Principal (Chairman)
2. All the Heads of Departments in the college
3. Four teachers of the college representing different categories of teaching staff by rotation on the basis of seniority of service in the college.
4. Not less than four experts/academicians from outside the college representing such areas as Industry, Engineering, Sciences etc., to be nominated by the Governing Body.
5. Three nominees of the university not less than Professors.
6. The Controller of Examinations of the College
7. A faculty member nominated by the Principal (Member Secretary).

Term: The term of the nominated members shall be Three years.

Meetings: Academic Council will meet at least once every six months.

Functions: Without prejudice to the generality of functions mentioned, the Academic Council will have powers to:

- i. Scrutinise and approve the proposals with or without modification of the Boards of Studies with regard to courses of study, academic regulations, curricula, syllabi and modifications thereof, instructional and evaluation arrangements, methods, procedures relevant thereto etc., provided that where the Academic Council differs on any proposal, it will have the right to return the matter for reconsideration to the Board of Studies concerned or reject it, after giving reasons to do so.
- ii. Make regulations regarding the admission of students to different programmes in the college keeping in view the policy of the Government.
- iii. Make regulations for sports, extra-curricular activities, and proper maintenance and functioning of the playgrounds and hostels.
- iv. Recommend to the Governing Body proposals for institution of new programmes of study.
- v. Recommend to the Governing Body institution of scholarships, studentships, fellowships, prizes and medals, and to frame regulations for the award of the same.
- vi. Advise the Governing Body on suggestions(s) pertaining to academic affairs made by it.
- vii. Perform such other functions as may be assigned by the Governing Body.

b) Board of Studies:

1. Head of the Department concerned (Chairperson).
2. All faculty members of the department.
3. Two subject experts from outside the parent university to be nominated by the Academic Council.
4. One expert to be nominated by the vice-chancellor from a panel of six recommended by the college principal.
5. One representative from industry/corporate sector/allied areas to be nominated by the Principal.
6. One member of the college alumni to be nominated by the principal.
7. Experts from outside the Autonomous college, whenever special courses of studies are to be formulated, to be nominated by the Principal.

Term: The term of the nominated members shall be three years.

Meetings: Meetings of Board of Studies shall be held at least once in every six months.

Functions: The Board of Studies of a Department in the college shall:

- i. prepare syllabi for various courses keeping in view the objectives of the college, interest of the stakeholders and national requirement for consideration and approval of the Academic Council;
- ii. suggest methodologies for innovative teaching and evaluation techniques;
- iii. suggest panel of names to the Academic Council for appointment of examiners; and
- iv. coordinate research, teaching, extension and other academic activities in the department/college.

c) Academic Audit committee:

- | | | |
|--|---|-------------|
| 1. Dean, Academics | - | Chairperson |
| 2. External/Internal Senior faculty
to be nominated by the Principal* | - | Member |
| 3. Dean, IQAC | - | Member |

* External for every alternative Academic year

Responsibilities:

- i. Plan and conduct periodic academic audits of all departments and academic units.
- ii. Review the implementation of the academic calendar and monitor adherence to scheduled activities.
- iii. Verify effective curriculum delivery and completion of syllabi within the stipulated time.
- iv. Evaluate teaching-learning processes, including the use of innovative pedagogical methods, ICT tools, and experiential learning.

- v. Audit course files, lesson plans, teaching diaries, laboratory records, and academic documentation.
- vi. Review the quality of internal assessments, question papers, evaluation procedures, and result analysis.
- vii. Verify the implementation of Outcome-Based Education (OBE) practices, including CO–PO attainment and continuous improvement measures.
- viii. Assess student academic performance, attendance, progression, pass percentage, and graduate outcomes.
- ix. Review mechanisms for supporting slow learners and advanced learners, including remedial classes, mentoring, bridge courses, and enrichment activities.
- x. Evaluate the effectiveness of the student mentoring and counseling system.
- xi. Review faculty performance in teaching, curriculum development, academic innovations, and professional development.
- xii. Assess the adequacy and utilization of academic infrastructure, including laboratories, library resources, and digital learning facilities.
- xiii. Review student, alumni, employer, and faculty feedback and verify implementation of corrective actions.
- xiv. Ensure compliance with the regulations and quality standards prescribed by UGC, AICTE, NAAC, NBA, and the affiliating university.
- xv. Identify academic strengths, best practices, and areas requiring improvement within departments.
- xvi. Recommend corrective and preventive actions to improve academic quality and institutional effectiveness.
- xvii. Monitor the implementation of recommendations made in previous academic audit reports and review Action Taken Reports (ATRs).
- xviii. Promote continuous quality improvement initiatives aligned with the institution's vision, mission, and strategic goals.
- xix. Prepare comprehensive academic audit reports highlighting observations, commendations, non-conformities, and recommendations.
- xx. Submit audit findings to the Principal, IQAC, and Academic Council for review, policy decisions, and continuous quality enhancement.
